CAROLYN A. RITCH

Carolyn A. Ritch Stationed At Lackland AF Base

Carolyn Annette Ritch, 21, daughter of Mr. and Mrs. Chester Ritch, Rt. 1, Murphy, is completing her Air Force basic military training at Lackland Air Force Base, the "Gateway to the Air Force". Her Lackland training is preparing her for entrance into Air Force technical training or for an Air Force duty assignment. The course includes a scientific evaluation of her aptitude and inclination for following a particular career field.

Lackland, situated near San Antonio, is the site of Air Force basic military training for men and women and home of the USAF Officer Military School, of which the USAF Officer Candidate School, the USAF Pre-Flight School, and Officers Pre-Flight Group are operating units.

Murphy Students Can Ride Buses

A temporary transportation plan for all Murphy students who desire to ride the bus to the new high school has been announced by John Jordan, principal of Murphy Elementary.

Mr. Jordan said town students will have to assemble at the old grammar grade building not later than 8:30 a. m. each morning. Buses that are en route to the high school will stop at that building to receive the extra passengers.

He pointed out that this arrangement is on a trial basis for several days to see if it is satisfactory. Schools will open Aug. 28 and operate on a half-day schedule the first three days, Wednesday, Thursday and Friday.

The UNC School of Dentistry is an integral part of the University of North Carolina Division of Health Affairs.

UPHOLSTERY WORKSHOP

Several Home Demonstration Club members will meet at the Home Economics Building, Grade School at 9 a. m., August 22, for a two day workshop on upholstery.

Mrs. Callie Hardwicke, specialist in home furnishings from State College, Raleigh, will be the instructor. This will be an excellent opportunity for those interested in learning how to re-build upholstered furniture as the instruction will be thorough and complete.

This training is limited to those who can remain during the entire school.

The September demonstration of all Home Demonstration Clubs will be on upholstery. However, due to the time element the lesson will be very brief by comparison with the workshop. Those attending the workshop may be available to groups for workshops out in the communities provided the local clubs send leaders.

With the popular acceptance of "do it yourself" certainly this is the best opportunity Cherokee County women will have to learn to do a job that is both gratifying and economical.

ATTENTION HOME DEMONSTRATION MEMBERS!

This will be my last reminder to you to vote August 23 for "Nickels for Know-How" program. YOUR

vote will help decide your farming future!

Certainly you are interested in the progress of farm people and you are aware of the necessity of continued research if there is to be progress. Do not let August 23 pass without a visit to the polls! Take your neighbor with you!!

FELLOWSHIP DAY

The chicken barbecue which was held at the fair grounds August 15 resulted in getting out a good crowd and we hope everyone enjoyed the food and fellowship.

We owe special vote of thanks to Mr. Nave, county agent and Mr. Adams, assistant county agent for their untiring efforts.

Many Home Demonstration members worked long and hard to make this event a success. Of course there were many individuals who aided materially and we are grateful to each.

LEADERSHIP CONFERENCE

Virgil Mills of Murphy; Neil Battle of Marble, Lavonne Thompson of Culberson and Jane Carver of Andrews are Cherokee County's delegates to leadership conference this week, August 19-24 at Swannanoa 4-H Camp at Swannanoa. This camp is designed to train our 4-H'ers for better leadership. We hope that these boys and girls will bring ideas back to their individual clubs for the coming year.

CHEROKEE COUNTY DEATHS
