FOUR CANDIDATES, IN ADDITION TO ME, ARE IN THE CONGRESSIONAL RACE AND YOU NATURALLY WANT TO INVESTIGATE EACH OF US BEFORE MAKING YOUR CHOICE

PLEASE DO NOT INVESTIGATE ME OR CONSIDER ME FOR THE JOB

IF you have a million dollars, or more.
 IF an eight-lane super highway serves your community already.
 IF you have already more tourist trade than you want.
 IF you have more industry in your town than you need.
 IF you believe as many as one out of every 10 stories put into circulation by certain people. (Sample Story No. 1: Rollman is a communist and the communists pay for his campaign. Sample Story No. 2: Rollman's campaign is financed by Adolf Hitler. I thought the guy was 7 foot under ground since many years.)
 IF you disregard the Scriptures, and hold a candidate's religion against him (Rollman belongs to the Jewish faith).
 IF you want a congressman who is more interested in "what's in it for him" than in serving all the people.
 IF you are afraid that your children might get too much good education.
 IF you want the government to continue to give away billions of dollars.
 IF you feel business men have no place in our Congress.
 IF you feel that anyone whose great grandfather wasn't born here doesn't have a right to run for public office in spite of the constitution.
 IF you want to sell TVA for ten cents on the dollar to private power companies.
 IF you want the American people to go barefoot, (which would mean that I cannot sell any more shoes and finance future campaigns with my own money).
 IF you want less farm support and less compensation for deserving veterans.
 IF you believe a candidate should not spend his hard-earned savings to wage a clean, clear campaign so that the voters know where he stands.
 IF you want someone to fight labor.
 IF you want higher taxes.
 IF you want lower teachers pay.
 IF you want to hear empty promises.
 AND IF you don't care about recession and communism.

HEINZ ROLLMAN
 A Man Who Cannot Be Bribe

Someone might call this a political ad. I won't argue the point. Unfortunately, it has not been paid for by the other candidates. I forget to ask them. I am sure, though, Sandy would have chipped in.
