Hire Handicapped Week Set For October

In keeping with the national observance of Employ the Physically Handicapped Week, Murphy Mayor L. L. Mason has issued a proclamation setting aside the week of October 5 for this observance.

The national theme this year is: its ability that counts-not disability.

Ed Brumby, chairman of the local Employ the Handicapped committee urges all employers to hire the handicapped whenever possible.

He states when physically limited persons are properly placed, their absenteeism is less and their production is equal to or in a lot of cases better than their able bodied co-workers. Mr. Brumby stresses it's the workers ability on a particular job that counts and not his physical disability.

Andrews Wildcats Roll To Victory Over Hayesville

ANDREWS—The Andrews Wildcats rolled to a decisive victory over Hayesville Yellowjackets at the local field Friday night.

The 24-0 victory gave the Wildcats their fourth conference win. They have not been defeated.

Hubert Myers spun off-tackle for the first touchdown early in the first period. The score was set up by a 24 yard run by Jim Bristol.

Later in the same period Wildcat center Junior Griggs got into the limelight by blocking a Hayesville kick on the one yard line. Pete Nichols scored.

The second quarter bogged down with no scoring threat until the final minutes of the period when Hayesville recovered a fumble on the Andrews 45.

The fired-up Yellowjackets marched to the 17. A penalty against Andrews put the Yellowjackets on the Andrews 12 as the half ended.

In the first series of plays in the third quarter Pete Nichols shot a 27 yard pass into the hands of Archie Myers who raced for a 70 yard touchdown play.

Boy Scouts Urge October 1 As Day Of Prayer

The Daniel Boone Council, Boy Scouts of America, with headquarters at Asheville, is urging its 5,000 members to observe October 1 as a day of prayer for the nation and for mankind, in accordance with President Eisenhower's proclamation.

Dr. Arthur A. Schuck, Chief Scout Executive of the Boy Scouts, in a message to Scout Executive Joseph D. Edwards of the Daniel Boone Council, said "Each of us, I know, covets every opportunity to make the twelfth point of the Scout Law effective. Also, each of us in Scouting recognizes the power and importance of prayer."

The twelfth point of the Scout Law reads: "A Scout is reverent. He is faithful in his religious duties and respects the convictions of others in matters of custom and religion."

Dr. Schuck informed President Eisenhower that the organization has taken steps for the "fullest cooperation to this noble purpose" and that the members totaling 4,751,000 boys and men have been requested to "fully support the proclamation."

Blood Mobile Visit Planned For Murphy

Murphy will again have a visit from the Blood Mobile Unit. The first visit of the unit is set for October 2 between 1 and 5 p. m.

A quota of 100 pints has been set. County American Red Cross Chairman Robert Weaver said the return of the Blood Mobile Unit means there will be blood made available to doctors and hospitals on a local level.

He pointed out that it has been several months since blood was available in Murphy. In the past it has been necessary to send to other towns when blood was needed.

Blood may now be secured and charged to the Murphy Blood Bank if a person is visiting a hospital outside of Murphy.

In the past, Mr. Weaver said, it has been necessary for a person to carry friends or relatives along to donate blood if it were needed.

Mr. Weaver said that for several months extensive campaign has been waged to get back on the regional blood program.

Funds were collected and approved received from various organizations in order to get approval of the Southeastern Area American Red Cross office in Atlanta.

Murphy has been without an emergency supply of blood. As soon as the blood mobile returns, Mr. Weaver said blood will be stored at Murphy.

The blood will remain here for 21 days and then changed for a fresh supply.
