Club Hears Brown Tell Of Dried Arrangements

A program on dried arrangements was given by Harry Brown at the meeting of the Woman's Club on Thursday, October 16. Hostesses for the meeting were Mrs. Jack Adams and Mrs. M. G. Crawford.

During the business session the club voted to appeal through the radio and newspaper for the loan of a bus, truck, or station wagon for use by the Girl Scout Troop.

This conveyance would only be used for Girl Scout activities and at no other time.

Miss Ruth Boss has agreed to head the troop which is now without a leader.

The Woman's Club is sponsor of the troop.

A benefit card party was held on October 18 at the TAC to raise money for the Club's project, a scoreboard for the high school football field.

Mrs. Charlie Beavers spent one day last week with Mrs. Charlie Kilpatrick.

Cherokee Rose Garden Club Meets With Miss McCombs

A jack-o-lantern, smiling over an artistic arrangement of fruit and vegetables, greeted members of the Cherokee Rose Garden Club at the entrance to the home of Miss Clara McCombs at the club's October meeting last Tuesday evening.

SALT MINE under metropolitan Detroit, Michigan, offers a unique civil defense opportunity for a large target city to provide both blast and fallout shelter for a substantial number of its citizens with a minimum amount of additional excavation. The mine—second largest rock salt mine in the world—is 1,137 feet under the surface. It would need more equipment and access ramps or elevators to serve as a mass shelter from attack. Saturday night was lively with Halloween carnivals, political rallies, dinner parties and the Hemmerich Corporation barbecue.

The Murphy High Senior class put on a bang-up carnival at the high school to raise money for their trip to Washington and New York.

Classrooms were filled with ghostly activity and games of Halloween fun were provided for young and old.

BOBBY MORRIS is senior class president and sponsors are MRS. LYNN GAULT, ROBERT COBB and FELIX PALMER.

Over 250 employees and their families attended the Saturday night barbecue supper put on by the Hemmerich Corp. in the gym at the Fair Grounds.

KIFFEN CRAVEN introduced PAUL HEMMERICH, Corporation head, who welcomed the crowd and the invocation was pronounced by REV. TOM HOUTS.

After supper the Georgia Mountain Boys played for square dancing and a hula-hoop contest was held for the children.

Three-year-old SANDY LEDFORD, who is really getting to be a professional hooper, was the contest winner.

MRS. BEN WARNER says if noise is an indication of a good time her Halloween party for granddaughter, IRENE, was a success. Irene's entire fourth grade at school was invited to the Friday night party. The children played games, bobbed for apples and quieted down once during the evening to hear a spooky ghost story told by WANDA WEST.

For Irene this party was a memorable one as she and her mother and daddy (MR. and MRS. BEN WARNER JR.) and sister, LISA, left Murphy Saturday for two years in Ahwaz, Iran.

They flew from Atlanta on Sunday for New York. From New York they'll fly to London and from London to Holland where they will board a Dutch Airliner for Iran.

The Army isn't proving dull for at least two Murphy boys, STEVE HEMBREE and HARRY BISHOP, who are now members of the Airborne Infantry. Paratrooper Steve has recently completed jump school at Ft. Jackson and is now stationed at Ft. Campbell, Ky.

He wrote his family that on maneuvers last week the flying boxcar carrying his group caught fire and there was a good deal of excitement before the plan made a safe emergency landing.

Harry, who joined the Army this summer, has only recently begun his paratrooper training and has been transferred from Ft. Benning to Ft. Bragg.

Gifts from the thirty guests were arranged on a table lighted at each end by two small lamps.

The guests played several games of bingo during the evening. Bingo prizes were baby gifts which were presented to Mrs. Howell.
