

## Andrews Takes District Crown With Win Over Glen Alpine Saturday Night

ANDREWS—The Andrews Wildcats, Class A winners of the SMC, represented their Conference well as they rolled over strong Skyline Conference Glen Alpine team 20-7, Saturday night at Canton to win the District Class A Championship.

The Glen Alpine Green Wave got off to a roaring start as they drove within the Andrews 10 yard line in the first quarter. Fullback Butler and halfback Hilliard sparked the attack.

The Wildcats first string guard, Scotty Hardin, suffered an injury and on the next play H. L. Mintz recovered a Glen Alpine fumble thus gaining possession of the ball.

This was the turning point of the game as the Wildcats fought their way out of a tight spot and drove up the field.

Outweighed approximately 25

pounds to the man, the aggressive Wildcat forward wall blasted their opponents defense to open holes through which Terry Postell clipped off the yardage, alternating with drives of Hubert Myers and Harold Murphy.

Postell brought the crowd to their feet as he eluded tacklers with blocking by his teammates for the initial TD. Hubert Myers educated toe added the extra point.

The 2nd Andrews TD was added by Harold Murphy as he changed his pace and direction three times to elude tacklers and score.

Again Hubert Myers added the point to put the Wildcats in front 14-0.

Glen Alpine momentarily regained their power and spark on a powerful march for their first and only TD.

The Wildcats had tremendous backing as not only many football fans in Andrews but a representation from the other SMC towns and an obviously partial Canton delegation cheered the team on to victory.

The first TD was set up as a desperate aerial attack was launched by Glen Alpine, but bogged down and the Wildcats gained the ball inside Glen Alpine territory on downs.

On a perfectly executed fake by Jim Bristol Archie Meyers sped around left end to the four yard line.

Hubert Meyers powered his way across the Green Wave line for the final score.

Improvements Made At Young Harris College Since 1942

By WALTER L. DOWNS

Beginning September 1947, a gradual change has taken place on the campus. Buildings and equipment were in bad condition. Due to the small amount of funds available, only limited repairs could be made. The Board of Trustees faced the situation with determination.

Trustee Committee A committee was appointed from the trustees to study the conditions
