THURSDAY, MAY 18, 1949 Thanks Given Andrews Personals To Wagon The Rev. and Mrs. Eugene With-The Rev. and Mrs. Eugene With-erspoon and daughter attended the Train Committee

We are taking this Saturday. Mrs. Witherpsoon con- to express the appreciation of al members of the executive commit tee on the Wagon Train Project for the fine spirit of cooperation that we are receiving from man

weeks with her parents, Mr. and ing plans for the various activities that will take place in connection with our July 4th celebration.

Many men are growing beards o different shapes and colors and wo men are making bonnets and dress es to wear during the week of the celebration. We also see many Tellico-to Murphy Wagon Trait Badges.

We hope very much that many other people throughout Cheroke County and this entire area will come out in full costume during this elebration.

According to latest reports there will probably be from 15 to 20 housand people in Murphy on July :4th. The publicity that this area is receiving and will receive will be greater than any publicity this area has received heretofore.

Although no person will be required to buy a badge or to grow a beard or to wear a bonnet, it is hoped very much that everyone will join in the spirit of the occasion by making this contribution to what is believed will be the most successful celebration in the history of this section of the State.

The Local American Legion Posiwill set up a Calaboose on the Square in the center of Murphy and will "arrest" from time to time, a man or woman who does not happen to have a badge or bonnet or is clean shaven. This will all be in fun in order to add to the spirit of the occasion. Any person who happens to be "arrested" and who does not want to pay the "fine" will certainly

not be required to do so. Let us remember that the main purpose of the Wagon Train is to emphasize the need for a modern highway between Tellico Plains, Tennessee to Murphy. North Carolina. The construction of such a highway will open to thousands of tourists. Mountain Scenery that is cnsurpassed anywhere. The tourists, in visiting this area, will spend i

will be of direct benefit to the people throughout Southwestern North Carolina.

We will be g lad to have your cooperation. Without your support this celebration cannot be a success.

report. Cambling Bill is due to come to the

floor of the House. I think Cherokee County would have me vote against it, so shall do just that. One nice thing, this last week I have been able to have another page - Dan Boone - a very bright and attractive youngster, son of Mark and Mary Emma Boone, gradson of Mr. and Mrs. Mark Boone, who have been neighbors and friends or many long years.

The trip to Fort Bragg was wonderful. I wish every one could have been there with us. The Air-Show was beyond all description, the perfection, the exact timing went with the drop of 300 men from the sky, all in a small space in front of us. Then to drop heavy trucks and equipment with men to operate them. It was done in a few minutes. Then when the missile was fired - they called it an "Honest John" - it simply took your breath. It was away and almost out of sight before you heard the report. To know that we have such an air force

makes one feel a bit more secure in this troubled world. Audith Hay, looking stunning in a red suit, with her dark eyes and hair, came over and went with me on this trip. We were allowed to ride Mr. and Mrs. Leroy McClure of in the helicopter with General Kershaw. Commander of the Air Force. Mr. and Mrs. Frank D. Guthrie After the air-show, a social hour of Murphy Route 4, a son. May 24. followed by a dinner, then a stage Mr. and Mrs. John Herbert Garshow by enlisted men, for two hours.
