Murphy High School Bulldogs Get Into Shape For Fridays Clash With Andrews Wildcats

Murphy High Bulldogs To Meet Andrews Wildcats Friday Night

Andrews 'Cats Win Season Opener From Franklin By Score Of 25 - 7

The Murphy Bulldogs will meet undefeated Andrews High School Wildcats Friday night at Andrews in the season opener for Murphy. On Aug. 28, Andrews beat Franklin 25-7.

Andrews won the class A Championship last year.

Coach Chuck McConnell said he cannot be too optimistic about the prospects of the coming season. He said recently that Murphy had a very young and inexperienced team.

He said that he feels that Andrews will be more than ready for the opening game of Murphy's schedule Friday night.

Andrews Coach Bill Ensley has seven returning letter men from last year's championship team.

"The prospects for this year look very good," he said. "I have inherited some outstanding boys. They play ball as a unit and have the determination to win. They also love football and are the easiest boys to coach I have ever trained and coached. I am very satisfied with them and proud to have the chance to deal with them this year coach Ensley said.

Andrews came from behind seven points in the first quarter to beat Franklin 25-7.

Franklin's Jimmy Williams tossed a 30 yard pass to Danny Pearson for the initial score. Ken Hall ran the extra point for Franklin.

In the second quarter Andrews Pete Nichols went 29 yards for the score on a quarterback sneak. In the third period, Don Marr moved the ball to the Franklin 2. A penalty and a loss dropped Andrews back to the 18 and Nichols passed to Roy Conley to put Andrews ahead 12-7. Hubert Myers and Junior Griggs scored the final two Andrews touchdowns in the fourth period with Myers kicking the extra point.

Pauline Bault Works As Consultant

Mrs. Pauline Bault of Murphy is working in the high schools in Cherokee County this year as Consultant in Guidance and Counseling.

This work is made possible through the National Defense Education Act of 1958 and is financed on a dollar for dollar matching basis the federal government providing half of the funds and the county providing the other half through the three school administrative units.

Mrs. Bault's duties include group and individual testing analyzing and providing better uses for test results, student interviewing and guidance in problems involving curriculum and vocations, and, to some degree, guidance in personal problems.

She will be at the Andrews High School on Monday and Tuesday.

Hayesville Man Completes Marine Course

Marine Pvt. Larry Sams, son of Mr. and Mrs. Earl Sams of Hayesville, completed recruit training Aug. 26 at the Marine Corps Recruit Depot at Parris Island, S. C.

Relatives and friends of many of the new Marines were on hand to witness the graduation ceremonies. The 12-week training schedule included drill, bayonet training physical conditioning, parades and ceremonies, and other military subjects.

Three weeks were spent on the rifle range where the recruits fired the M-1 rifle and received instruction in basic Marine infantry weapons.

This recruit training prepares young Leathernecks for further specialized infantry training at Camp Lejeune, N. C.

Sheriff Anderson Finds Still At Culberson

Sheriff Claude Anderson reported that he captured a still in the Culberson community Friday, Aug. 28.

There was no mash at the site, Mr. Anderson said. The still had, at one time been 150 gallon capacity, he said. It was being cut down, Mr. Anderson said.

The sheriff made the raid alone, he reported.

Needs Action

Dear Mister Editor:

Last year, the legislators and lawmakers were thinking about a bill to do with the bears that some folks pin up on the side of the roads as tourist attractions.

Well, I think it is just about time somebody took a hand in this matter and did something.

Can you think of anything more pitiful than a bear or some other animal use to being free pacing back and forth in a cage just to help somebody grasp a little more money off the tourist? I feel that everyone in Cherokee County and in North Carolina should see down and write a letter to their representative about this matter.

If you haven't notice lately, I ask you to drive to one of these spots and watch the bear for a moment. He paces back and forth and you can't help but feel sorry for him.

I'm not against hunting bear. That is not nearly so cruel as putting him in a cage with no hope of freedom. You can say that an animal is different from a human, but I still believe that the love of freedom is there.

A game warden mentioned that if a bear was ever caught and caged, he would never be any more good if freed. I feel that the answer to this problem is to have a law so strict that no one would cage an animal for tourist attraction.

Sincerely,
I. D. Clark

The RAMBLER

Schools kids often come up with some rare gems. Here is one that Superintendent Holland McSwain received from Miss Addie Leatherwood, seventh grade teacher at Murphy Elementary School. Miss Leatherwood received it as part of an assignment. The words in capital letters were to be used in a paragraph.

Many women have much EXPERIENCE in conservation, in fact too much. They have the ABILITY to talk for hours. They have a lot of CONFIDENCE in themselves and hold their DIGNITY high. Their DISCUSSION will ATONISH you. When they talk they make beautiful VERSE and forget it overnight.

There is no REMEDY for this, until a wreath hangs on the door.
