6:30 p.m. — Brotherhood supper will be held in the recreation hall of the First Baptist Church.
7:15 p.m. — Woman's Missionary Union of the First Baptist Church will be held at the church.

J. H. McClures Married 60 Years Feb. 4

Mr. and Mrs. Julius M. McClure of Murphy will celebrate their 60th wedding anniversary Feb. 4. Mrs. McClure is the former Miss Maranda Green and was born in Cherokee County. The McClures have a large family with 9 living children, 48 grandchildren and 18 great-grandchildren.

THIS YOUNG LADY is illustrating a rather hard-to-visualize fact concerning the 1960 Oldsmobile Fiesta station wagon. The square box she is holding measures one cubic foot. The space 88 of these cubes would occupy is equal to the 88 cubic feet of cargo space available in 1960 Oldsmobile Fiesta station wagons. Now be careful, she's not saying 88 of these boxes would fit into the Fiesta, she's showing you what one cubic foot looks like in one shape—and insisting that the inside of a Fiesta is 88 times more spacious.

BONES MCKINNEY

Bones McKinney To Head February Heart Fund Drive

One of the nation's top basketball coaches, Wake Forest's Bones McKinney, will head the 1960 Heart Fund Drive in North Carolina, it was announced by Mrs. Roy Fuller, who is Heart Fund Chairman in Cherokee County. "There is no question about making our goal with a coach like Bones calling the plays," said Mrs. Fuller. "Making goals and winning victories come naturally to him and I'm sure the people of Cherokee County are going to back up our State Chairman and the Heart Fund team 100 per cent."

Murphy Students Win Two Games Last Week

By JAY WILSON
Murphy High boys won two ball games last week and the girls won one in Smoky Mountain Conference play. In the Nantahala game, the girls came from behind to win in an overtime period 55 to 53. Nantahala led at the end of the first period 16 to 12 and at the half 30 to 25. Murphy pulled out ahead in the third period 41 to 39, but the score at the end of the fourth period was tied 53 to 53. In the overtime period, only two points were scored, and these were by Frankie Beal of Murphy. The score came midway in the overtime period and Nantahala was unable to score. Murphy scoring was close, with Margaret Cole and Linda Jones getting 18 points apiece and Frankie Beal getting 17. Joan Morley got 2 and Linda Smith also played. Murphy's guards were Linda

left side of the road when it struck the auto head on. After striking the car, the truck veered off to the left side of the road and overturned.

Rich received bruises about the face and knee. He received emergency treatment at the Andrews Hospital and released.

Mr. Hardin suffered a crushed skull and received treatment at the Andrews Hospital before being moved by ambulance for Asheville.

Mr. Hardin was buried at the Valleytown Cemetery at Andrews. Surviving are the widow, Mrs. Anna Ruth Green Hardin; a son, Danny of the home; four brothers, Carl of Brevard, and Clarence, Larry and Eddie of the home, the parents, Berdie and Clara Kelly Hardin of Andrews.

This lead was cut to one point and the score at half time was 24 to 23, still in favor of Murphy. In the third period Hayesville forged ahead and led one point at the end of that period. In the fourth and final period Hayesville took over and won by a score of 52 to 46. Margaret Cole led Murphy scorers with 21 points and Linda Jones and Frankie Bell were next with 8 each. Joan Morley got 7 and Linda Smith got 2 points to round out the Murphy scoring. Guards were Linda Totherow, Phyllis Gillenwater, Maxine O'Dell, and Gay Hatchett.

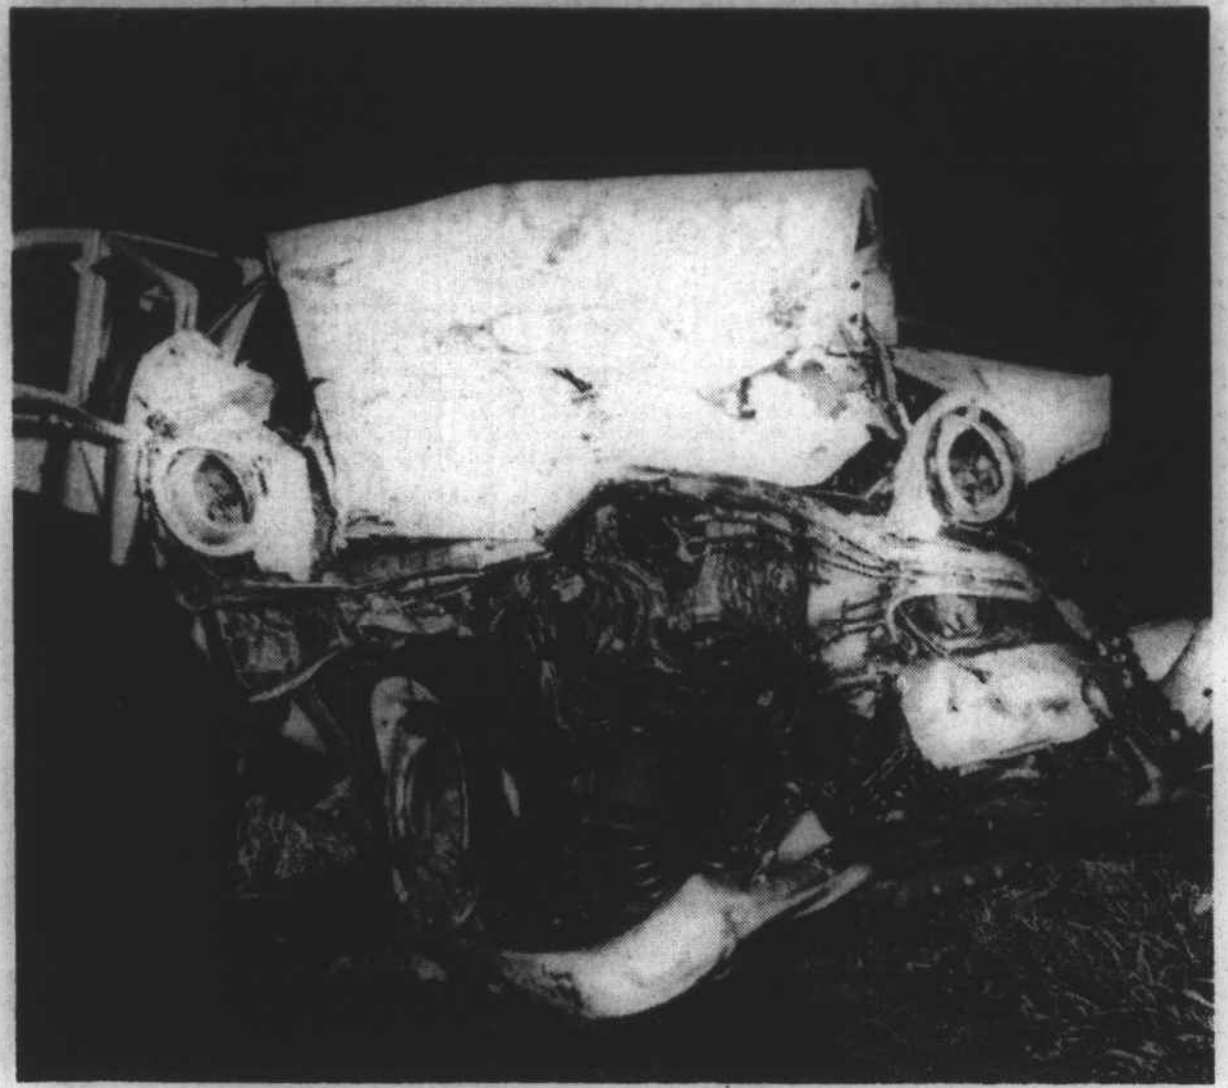

In the boys game, Murphy again rolled over Hayesville by a score of 73-43. The score at the half was 42 to 21 in favor of Murphy and Murphy didn't have any trouble during the game maintaining the lead. High scorer was Billy Carringer with 16 points. The next three had 12 points each. They were Charles Lovingood, Jerry Kephart, and Roy Ashe. Long Tom Lanning got 6 and Jerry Johnson got 5; there were two boys with 4 points each, Emanuel McDonald and Tommy Arms. Paul Smith scored two points.

Card Party To Be Held Feb. 12

Heart Fund card party will be held Friday, Feb. 12, at 8 p.m. at the Power Board Building.

The card party will be sponsored by the Murphy Woman's Club. All proceeds will go to the heart fund.

Tickets are \$1 per person and may be secured from any member of the Women's Club, or by calling Mrs. Howard Moody or Miss Jo Jo Moody at VE 7-3538.

1956 Ford In Which Kenneth Hardin Was Killed

Dr. W. S. Cann Answers Flu Questions

By DR. W. S. CANN
We have been asked many questions about influenza lately. Let me say, first, influenza is not a reportable disease so we have no correct figures as to the number of influenza cases in the Health District.

Second, it is a rather long complicated test to determine influenza and especially the types (Asian, etc.) These reports arrive usually after the "flu" is well established and spreading. Now we have no reports of a sudden large increase of absenteeism from the schools. We do know there are lots of acute upper respiratory infections in the district but no evidence of any great increase over the years. These appear to be the usual colds, sore throats, etc.

With influenza being reported in near-by states and this state we do recommend vaccine protection for people in key positions, the aged and the chronically ill. However, because of so little information as to type (Asian) we would have to recommend a combination of both Asian and Polivalent vaccine given by the patient's own doctor as he or she recommends it.

We would like to stress an important fact of influenza and that is, it leaves the patient exhausted. Now for years it has been found in polio outbreaks that 4 factors either alone or in combination play a big part in producing the disease.

1. Excessive Fatigue (Past flu)
2. Oral Operations (Tonsils and Adenoids, etc.)
3. All vaccinations are stopped with the outbreak of Polio.
4. Pregnancies.

Thus, while you are thinking of "Flu" don't forget Polio. You youngsters 40 years and younger protect yourselves with Salk Vaccine.

Club Members To Help With Heart Fund

ANDREWS—Mrs. Edison Burch, Fund Raising Chairman for East Cherokee County Heart Association which comprises Andrews, Marble and Topton communities and adjoining areas, has announced that the Beta Club members of the Andrews School will serve as a working unit for all projects and special events during the month of February for benefit of the Heart Fund.

"Balloon Day" will be observed Saturday, February 6, beginning at 9:00 a.m. Members of the Beta Club will wear costumes suggestive of the Heart Drive and sell balloons on the streets of Andrews.

Other special events will include a quilt contest, a "Country Music Day" and other benefits to be announced at a later date. Committees for the various projects will be announced next week.

Civil Air Patrol Announces New Area '60 Roster

The Civil Air Patrol is a federally chartered, volunteer organization and an auxiliary of the United States Air Force. Aside from assigned Air Force personnel, its membership consists entirely of unpaid civilian volunteers with their own officers and chain of command. The organization maintains membership units throughout the United States and its territories, similar to that of the Air Force. There are 52 wings, one for each state and territory. These are further broken down into groups and/or squadrons. The Civil Air Patrol was first organized on December 1, 1941, to give wings to the nation's civil defense efforts as an agency of the Office of Civil Defense. It played an heroic role in anti-submarine patrol off the Atlantic and Caribbean coasts in the early days of World War II. As a result, the Civil Air Patrol was transferred to the War Department early in the war. In 1946, the 79th Congress passed Public Law 476, an Act to incorporate the Civil Air Patrol, and which gave authority for CAP to adopt a constitution and by-laws. The 80th Congress, in 1948, passed Public Law 557 establishing Civil Air Patrol as an official auxiliary of the United States Air Force.

What is the mission of civil air patrol?

- Broadly stated, the missions and objectives of Civil Air Patrol are:
1. To develop an air-minded citizenry and thereby help maintain America supreme in civil as well as military aviation through an effective program of aviation education.
 2. To develop a pool of personnel, including 100,000 cadets, trained in the fundamentals of aviation.
 3. To set up, maintain and operate a national and territory-wide radio net to insure communications at all times of emergencies and disasters.
 4. To train for and perform search and rescue missions.
 5. To perform other emergency missions for federal and state agencies and the USAF, such as fire, flood and anti-sabotage patrols, emergency mail and courier flights, aerial reconnaissance and air evacuation flights in time of emergencies and disasters.
- 1960 ROSTER RELEASED**
Andrews Members
1st Lt. Howard Kilpatrick, commander.
2nd Lt. Edgar Wood Jr., Ex. officer.
2nd Lt. Richard Parker, Opr. Trn.
2nd Lt. Lois Kilpatrick, Coord. for women.

Boy Scouts Celebrate Anniversary

Murphy Boy Scouts, joining with those all over America, are celebrating next week the 50th anniversary of Scouting in the United States.

Marking the Murphy and Cherokee observance will be the noting of Boy Scout Sunday with Cubbers and Scouts in their uniforms in respective services of worship; and a Scouting parade on 50th anniversary day, Monday. There will also be Scouting displays in Murphy shop-windows, and the Scouts are to wear uniforms through the week.

Members of all troops and packs in Murphy and surrounding area are invited to have part in the parade, according to Mont Rogers, Scout leader in charge. The parade will form at Murphy Elementary School after school Monday, and proceed to the downtown Square, with the Murphy School Band, directed by Ed Reynolds, leading.

After a stand with music at the Square, the Scouts will march elsewhere in Murphy. In event of rain, the parade will be held later in the week.

Murphy Football Teams Hold Annual Banquet

By JOHN JORDAN

It was quite an affair last Saturday night, January 30, when approximately ninety boys who played midget and mite football last season, and their dads met at the Regal Hotel for their annual banquet. Paul Nave prepared some very delicious barbecue chicken, which the boys enjoyed very much. The arrangements and hotel facilities were donated by Mr. and Mrs. Harry Seamon. Also the hotel donated each person with a large ice cream football to finish off the meal.

The banquet was given in honor of the little boys who played midget and mite football here in Murphy last season. This was their first season with this type of sport and there were four teams who worked very hard each day. These teams played each other before the regular high school football games and made two or three trips to neighboring towns for games.

The man responsible for this program is Senator Frank Forsyth. For years the people of Murphy have wanted such a program for the younger boys. Not only does such a program keep the boys off the street and give them something to do

but it helps prepare them for their high school football and life in general. It teaches them many things not found in their regular textbooks. Mr. Forsyth saw this need and went into action. In just a short time and through the facilities of Radio Station WKRK, enough money was realized by donations from interested people and firms to buy a complete uniform for each boy who wanted to play ball. No boy was left out and no boy had to spend any money on his uniform. Some of the boys did buy shoes which were optional.

Mr. Forsyth stressed the wonderful spirit of the players and expressed his thanks of appreciation to those people who made the program possible, particularly Harold Wells and Jack Lunsford, who helped coach the teams, John Jordan and Hollan McSwain for their assistance and backing, Mont Rogers for helping with uniforms and transportation, H. A. Mattox and Paul Nave for a great deal of work in connection with the team, Ed Brumby, who bought several uniforms, closed down his plant from making regular T-shirts and made some shirts for the team in order for them to play their first game, he also chartered a bus for the boys to travel to Gaston for a game, the coaches

of Murphy High School for assistance in training the teams, Paul Ridenhour and staff of Radio Station WKRK for assistance with the drive and other publicity, and many many other people for a great deal of time, energy, and money, in order to bring this program about. Mr. Forsyth stated that he was looking forward to another good season with the boys.

Joe Ray acted as master of ceremonies for the occasion. He told several good stories and made several remarks that the boys should always remember.

The speaker for the evening was Coach Ralph McConnell from the Murphy High School staff. He pointed out that he was for the little football team all the way and that if a boy wanted to play football, regardless of size, that there would be a place for him on the Murphy High team. He stated further that a program of this nature was of a great deal of help to him and his staff at high school. He stressed the fact that the game of football is a game of give and take, a whole lot of each one, and that the way a boy thinks, his attitude, etc., determines the type of teammate he will be and the type of team his school produces.
