#### Tanker, Car Collide **Expanded Service** Murphy Goal Of New Westco Telephone Co.

Mr. L. J. Phillips, District Manager of Western Caro-lina Telephone Company, Murphy, N. C., today announced the formation of Westco
Telephone Company as a wholly owned subsidiary of Wes-

tern Carolina Telep It is proposed that Westco Telephone Company will ob-tain a loan from the Rural Electrification Administration for the purpose of acquiring certain properties from Western Carolina Telephone Company and permitting the expansion of telephone service throughout the rural areas. To accomplish this purpose, Mr. Phillips stated, the following exchanges and exchange areas now operated by Western Carolina Telephone Company will be con-veyed to and operated by Westco Telephone Company: Bakersville, Burnsville, Fontana, Hayesville, Hot Springs, Marshall, Mars Hill, Murphy, Robbinsville, N. C., and Clay-

ton, Georgia. Mr. Phillips stated further the N. C. Utilities Commission has directed that a hearing be held at the office of the Commission in Raleigh on December 8, 1960, for the purpose of considering the proposal of Western Carolina Telephone Company and Westco Telephone Company. Mr. Phillips also stated that the companies do not contemplate or propose any changes in existing telephone rates.

Western Carolina Telephone Company operates 19 exchanges in eleven counties in Western North Carolina and one county in North Georgia, and presently serves ap-proximately 16,500 custom-ers. Mr. Phillips stated it is expected that an additional eight to ten thousand cus-tomers will be added over a three to five year period if the proposal is accepted by the regulatory authorities and the Rural Electrification Administration, It is contemplated that if the proposal is accepted, the expansion program will cost approximately \$7,000,000.00.
