### WARRIORS UPEND ROWLAND 6-0

Some of the action in the hard hitting Pembroke-Rowland game won by the Warriors 6-0. Halfback Gary Jacobs is helped to his feet by a team mate after a jolting hit in the fiercely played game.

In its season opener, Pembroke Senior High School showed some stellar defense and a sudden striking Travis Sampson (quarterback) to Earl Ransom (end) combo.

The combo - Sampson to Ransom - scored on a sudden 16-yard scoring with two seconds left in the first half.

Quarterback Travis Sampson and swift Gary Jacobs (halfback) were two of the five Warriors injured in the game. None of the injuries were considered serious and all are expected back in action soon.

The coaching staff signaled out Ricky Brooks as the Player of the Week for his stellar and sparkling defense. Brooks played both offensive and defensive tackle and played on the special teams. He was hard hitting and alert throughout the game.

The Warriors' next game is with the Orrum Raiders at Orrum Friday night.
