

### Republicans Gather for pre-election meeting at Sims Restaurant in Pembroke

Mrs. Evelyn Tyner, Republican candidate for the superintendency of the department of public instruction (left) meets local attorney Erle Knox Chavis. In the background (left to right) is Tryon Lowry, Mrs. Aggie Deese, and (far right) Asa Spaulding, Jr., Republican candidate for Secretary of State.

A number of Republican Party candidates and their supporters met at Sims Restaurant in Pembroke Monday night to talk about their respective campaigns and "how to get out the vote."

Appearing were Evelyn Tyner, Republican candidate for the state superintendent of Public Instruction; and Asa Spaulding, Jr., Republican Candidate for the secretary of state of N.C.

Also present was Dr. Larnie Horton, special assistant for minority affairs to Governor Jim Holshouser and a number of local Republican Party leaders.

Mrs. Tyner said, "It seems that a teacher with many years of experience in the school room like myself would make the best superintendent of public instruction. It is time to return the department to the teachers and students and education period."

Spaulding, from Durham, encouraged the Republican faithful "to get out the vote." Said Spaulding, "A good and viable two party system would be good for the country. Too, my business background would be helping in running the Secretary of State's office."

# VOTE FOR CARNELL LOCKLEAR ROBESON COUNTY BOARD OF EDUCATION FOR THE CHILDREN

Dear Friends:

The Board of Education is a very important body because it helps shape our leaders of tomorrow. If we have a strong Board, then we will have strong leaders in the future. If we have weak leaders, then our children in turn become weak.

I will not tell you I can bring heaven to the Robeson County Board of Education because I cannot do that. I am not going to make promises that I know I cannot deliver. The platform I deliver to you I know I can deliver if given co-operation among other board members.

I promise if elected I will work for all children, all schools, all teachers, all principals, not just one or two. I will always be candid with everyone. I will work very hard to run our schools in a businesslike manner because our school system is a business. The board handles taxpayers' money and to me, my friends, that is the most important factor, to be sure the money is used as it is intended and nothing else.

Here is part of my platform:

- (1) To fight for communication between the school board and the communities because many people in the communities do not know anything about their school board and how it functions.
- (2) A strong affirmative action plan for the staff and the administration.
- (3) Have a good representation of all races in the department of administration within the Board of Education.
- (4) A good qualified Indian Superintendent because 60 percent of the enrollment is Indian; twenty percent is Black and twenty percent is white.
- (5) Better utilization of the Indian

Education Act monies. Example: Special programs for students with special talents. In doing this we can help to develop creative talents that our children have.

- (6) Teach our youngsters about their heritage. Example: Go to the state board of education to fight to get our heritage taught in our schools.
- (7) Be sure and fight to see that all schools are accredited by proper agencies.
- (8) Fight to see that all schools are on the same standards.
- (9) I will visit each school, talk to the children, principals and teachers to see what kind of problems they are having. If any problems occur, work to solve them at the next meeting.
- (10) I will fight to have a good strong reading program all through school. If a child can read he can find a way to a prosperous life, besides, he or she has that RIGHT.

Friends, these are some important issues I want to help accomplish. And I can with your help because they are fair and simple. I think a person running for Public office should have already proven themselves to be responsive to the needs of people. And the board of education is concerned with people. I have helped solve all kinds of problems for people. The board has problems now and with my leadership and my platform many of the problems can and will be solved.

Please give me a chance. I am a MAN OF ACTION. Will you please keep me in ACTION? I need your vote of confidence on Tuesday, November 2, 1976. Thank you."
