Pembroke BPW Club will hear about The Woman Offender

The regular monthly meeting of the Pembroke Business and Professional Women's Club will meet on Monday, Nov. 1st, at 7:00 P. M. at Mayor Manor Community Room.

Guest speaker for the meeting will be Ms. Louise Sanderson, Probation-Parole Officer II for Robeson County. The topic for the November meeting will be The Woman Offender. Ms. Sanderson is the officer for adult female offenders from the age of 18 and older. She is a graduate of Meredith College, a native of Robeson County, and has served in the Correctional Department for some seven-

teen years. Ms. Sanderson is also a former school teacher in Lumberton and Bladenboro, has worked as Secretary of the Probation Office and in the New York Stock Exchange.

The November meeting is being considered in keeping with National Federation Program Guidelines dealing with the problems of women prisoners and rehabilitation of female offenders. Because of BPW is an organization of working women, Clubs are studying methods by which strong links can be forged between BPW Clubs and the needs of the women prisoner and women offenders.

A Rose is A Rose

This is a portrait of a remarkable and accomplished woman, devoted to her husband and family. Mrs. Rose Carter is a talented designer and a leader in education; she is a retired teacher.

Her beauty, elegance, and many-sided talents creates for her a very special place in the affections of the people which she meets. A born artist, she could not resist encouraging those who gave her the attention and admiration which, to her, is the breath of life. She has given so much of herself to her community; with her artistic talents she has done hundreds of lovely weddings and parties. It is her hands that design many of the beautiful funeral arrangements for our loved ones who have passed away.

Educational Views By Dr. Dalton Brooks

EDUCATION IS POLITICAL Insurance.

Education began in this country with emphasis on professionalism - administrative leadership, staff improvement, curriculum development and vigorous supervisory strata. Now, more attention is focused on education as a political entity.

Beginning in 1960 the National Educational Association was pressured by the local classroom teacher for more decision making authority. By 1976, the National Association has endorsed presidential candidates and contributes heavily to senators and representatives for school benefits. The NEA has changed in emphasis from professionalism to more political influence for 1) more Federal Funds for public education, 2) public employee collective bargaining rights, 3) cabinet level department of education, 4) mobile teacher retirement system, and 5) National Health

Professionally, the teachers can develop intervention methods to deal with the SAT Score, bargain to become part of the decision making process and improve parental participation in the education of their children.

CONCLUSION

More and more education is influenced by what happens at the local, state and federal level in the development and implementation of Educational programs and Administrative operations. It is a democratic institution with all the emphasis on human development, and therefore political. It is controlled by people participating and evaluating what happens to youngsters in the social process of providing the needed technical, physical and human resources for Robeson County children. Education is more than a business, art or science; it is a political system governed and administered by people who have the children's security at stake.

Well Insulated

Well insulated houses have six inches of insulation in the ceiling, three inches in side walls and three inches under the floor.

According to Scripture

Psalms 110:1: "The Lord said unto my Lord, sit thou at my right hand until I make thine enemies thy footstool."

Who is the Lord? Christ asked the question in Matthew. Some said he's the Son of David. Then Christ said how doth David in the spirit call him Lord, saying, "The Lord said unto my Lord, sit thou at my right hand till I make thine enemies thy footstool."

In John 19:7 the Jews said we have a law, and by our law he ought to die because he made himself the Son of God. This Jesus hath God raised up for it was not possible that he should be held by it. Acts Chapter 2: These are some of the verses which affirm the duty of Jesus. Stephen the first martyr said in Acts 7:56 "Behold, I see the heavens open and the son of man standing on the right hand of God." The Lord said until I make thine enemies thy footstool. The Bible said vengeance

He leadeth me in the path of righteousness." So when we are living in sin, don't say Christ has led you to sin for He leadeth you in a path of righteousness for his name's sake. And to those of you who are trying and seem to fail, remember and read the 109:31 Psalms for Christ our Lord shall stand at the right hand of the poor, to save him from those that condemn his soul. And to you who sow discord and have no respect for those living a holy life, a clean life which is holy, the Lord counts you as his enemies and he hates people who are against the cross.

You say the Lord does not hate man who is against God. Rom. 9:13 as it is written, "Jacob have I loved, but Esau have I hated." Esau sold out for a piece of bread and God hated him for it. Man fails to see the goodness of God. Man fails to see Jesus at the right hand because he can not perceive the power of God. Therefore, man thinks because of his ignorance he shall see God as his son. But the word said he that is unjust, let him be unjust. He that is filthy be filthy, and he that is righteous be righteous and he that is holy be holy be holy. Rev. 22:1 which of the one are
