Mrs. Gladys Hunt named to Council on the Status of Women

The Board of County Commissioners of Fayetteville announced November 1, 1976 the appointment of Mrs. Gladys Hunt to the local chapter of the Council on the Status of Women.

The appointment will be for a two year term beginning immediately. Mrs. Hunt is the only Indian on the local Council and will assist in a study to determine the economic, social, political and educational status of women in the county.

She will provide direction and insights to Council on the Status of Indian Females in today's society.

Mrs. Hunt presently works with the Cumberland County Association for Indian People as a Planner and Community Services Representative.

She is married to Richard Hunt, Jr. formerly of Lumberton, NC and is the proud mother of four lovely children - Tonya, Rachel, Sandra and Gloria. All are girls and Mrs. Hunt feels she can definitely speak for the women in the county.

G. I. Bill education benefits to change

The President signed a new G.I. Bill on October 15, 1976 which terminates the existing education benefits for individuals recruited into the military service after December 31, 1976.

Persons currently serving on active duty or who join the Navy's Delayed Entry Program before January 1, 1977 are considered eligible for the present G.I. Bill.

Individuals who are interested in volunteering now for one of the Navy's officer or enlistment programs and want to take advantage of the current education benefits are encouraged to contact the local Navy recruiter to determine whether they qualify.

Persons recruited into the military service after December 31, 1976 will be eligible for education aid if they elect to participate voluntarily in a contributory program. Service members would contribute between \$50 and \$75 a month up to a total of \$2700. These funds would be matched by the Veteran's Administration on a two to one basis.

The Navy offers professional training for job skills in several programs which lead to commissioning as a Naval officer plus more than sixty enlisted career fields including the Nuclear Field, the Advanced Electronics Field, and the Advanced Technical Field.

To learn more details about the provisions of the new G.I. Bill and the Navy's entrance requirements, contact the closest Navy recruiter or call toll free 800-841-8000.

Fairgrove School observes American Education Week

In observance of American Education Week, November 14-20, the Fairgrove School Library Club sponsored the viewing of the film, "Being an Effective Teacher" for the school faculty on Tuesday, November 16 and Wednesday, November 17 in the High School Media Center. The film was obtained on loan from the Division of Educational Media, Professional Film Library, North Carolina State Department of Public Instruction.

Teachers were invited to view Part I on Tuesday and Part II on Wednesday. Refreshments were served by the Library Club.

"Being an Effective Teacher" is a film produced by Dr. Thomas Gordon, Director of the Teacher Effectiveness Training Institute of the University of Chicago. Discussions and role playing focus on counseling and group inter-

personal relationships between teachers and students. The film defines the relationship of student behavior into acceptable and unacceptable behavior and how it affects both the teacher and the student. The film also discusses skills necessary for teacher to deal effectively with student problems and suggests "active listening" and "I messages" as approaches for effective teacher-student relationships. Situations of conflict of needs between teacher and student are called the "moment of truth" in human relationships. Methods illustrated through role playing include authoritative, permissive and creative alternatives. The film also stresses John Dewey's philosophy of "six steps to problem solving" in creative relationships which foster democratic principles and participation in the classroom.

Pembroke BPW Club supports ERA

A gathering of supporters of the Equal Rights Amendment (ERA) from across North Carolina gathered at the Kerr Scott Pavilion in Raleigh for an old-fashioned political rally - informal dinner, campaign music, speeches, buttons, doorprizes and a "candidate" some people get excited about.

Club had a reserved table and six (6) women attended: Ms. Ruth D. Woods, President of Pembroke BPW Club, Ms. Dorothy L. Blue, Ms. Pauline B. Locklear, Ms. Florence Ransom, Ms. Debra O. Sampson and Ms. Adeline Maynor.

The ERA, twice rejected by the North Carolina General Assembly, will probably be reintroduced in the 1977 legislature.

District Officials Endorse ERA
Senator Luther Britt, Jr. and Representative Joy J. Johnson and Henry Ward Oxendine endorsed the ratification of the ERA during the last two sessions, and recently, Horace Locklear has endorsed the ratification of the era. Representative David R. Parnell has not endorsed the ratification in either session.

Community Endorsements
In addition to the Pembroke BPW Club, the Lumberton BPW Club, the N.C. Council on the Status of Women, the

League of Women Voters, and the United Methodist Conference and the United Methodist Women's Division and Board of Global Ministries are organizational supporters of ERA ratification. The Pembroke BPW Club became an official sponsor of the statewide organization, North Carolinians United for ERA this fall.

Prior to the statewide rally, the Pembroke BPW Club distributed handbills at shopping centers in an effort to acquaint the community with the real issues involved with ERA. The Club has also sold ERA pins and bumper stickers, and still have these available. ERA pins are 25 cents each and bumper stickers are 50 cents. Monies collected will be forwarded to N.C.U.E.R.A. For additional information on ERA legislation, contact the Pembroke BPW Club, the Lumberton BPW Club or the Robeson County League of Women Voters.

Big Load
The average American consumes almost three-fourths of a ton of food annually.

Miss PSU Named

SUSAN LYNN BULLARD, sophomore music major from Rt. 1, Aulryville, new "Miss Pembroke State University."

Locklear Play Leading Elon

ELON COLLEGE - For the second week in a row, Elon defensive tackle Ricky Locklear fell on a fumble in the end zone to score a touchdown for the Fighting Christians, and the score proved to be the final margin of victory in the NAIA contests.

Elon won the game 19-13 over Newberry Saturday to tighten the Fighting Christians grip on first place in the South Atlantic Conference.

Elon, ranked second nationally in NAIA competition, held the Newberry Indians to only one touchdown and three field goals.

Locklear, a Fairmont native and All-America candidate, fell on a fumble in the end zone in the third quarter to give the Christians a 12-3 lead.

The week before, Locklear performed a similar feat against Gardner-Webb, and his touchdown there also proved to be the final margin of victory in that contest.

Elon took a 6-3 lead at the half on 27 and 30-yard field goals by Mitch Rippy. Kicker Bob McMillan booted a 26-yard field goal for the Indians' only tally in the first half. He kicked another three-pointer and an extra point in the fourth quarter.

The Fighting Christians, who also have Clint Locklear of Fairmont and Randy Oxendine, formerly of Fairmont, on their defensive roster, now has a 9-0 overall record. Elon is 5-0 in South Atlantic Conference play.
