

Mr. Airy News

-by Violet Locklear-

The Brotherhood rendered special music on Sunday morning at Mt. Airy Church.

Visitors were Mrs. Susan Locklear, Mr. Kaywise Wilkins also Mrs. Carrie Paulk, formerly of Ocala, Ga. who is now making her home down here. She is the mother of Mr. Gene Paulk.

Mrs. Violet Locklear, Mrs. Martha Ann Locklear, also Mrs. Alice Cummings, went to McCain Hospital last Thursday for a check up. While there they visited Mr. Philip Jones who is a patient there. As of yet we are unaware of Mr. Jones' condition.

Mrs. Adelaide Locklear flew in from Detroit, Mich. last week to spend some time with her parents, Mr. and Mrs. Lonnie Locklear and family.

A special program was given by the Boy Scouts Sunday under the direction of their leaders, Mr. Gene Paulk and Mr. Rencil P. Locklear. They received different badges for their work and achievement. We certainly are proud of our boys and the work they are doing.

Mrs. Beatrice Locklear, wife of Rev. Sanford Locklear, has been out of church now for over two months due to infection in her lungs. Her condition is improving.

Mrs. Mary F. Maynor has returned home where she spent a month visiting her son, Mr. and Mrs. Kynis Maynor of Michigan. Mrs. Maynor reports she enjoyed her trip and was also glad to get back home.

Gene left Tuesday morning to take his girl friend back to California. She had flown down here last Wednesday to spend some time with the Locklears.

Mr. Morand Tyner has been a patient in Southeastern General Hospital due to third degree burns. His condition is improving.

The singing is cancelled for Sunday night at Mt. Airy Church due to the cold weather.

Please remember all the sick ones in our community in your prayers.

A THOUGHT FOR TODAY

"Marriage to Christ" means divorce from sin, and separation from the world.

The B.P.W. Foundation

THE BPW FOUNDATION

Since its founding in 1919, the National Federation has worked to expand educational opportunities for women and to support research on working women's problems and possible solutions. In 1956, to meet the need for increased activity in these areas, the Federation established the Foundation as a tax-exempt educational corporation to serve all working women.

The Foundation library fills requests for up-to-date information on working women. A unique tape collection records the voices of prominent women. A bibliography is published yearly on various subjects affecting working women. Periodic surveys determine the problems and the

progress of employed women. Research grants enable scholars to study the world's career women, and fellowships are awarded by the Foundation graduate study. The newest scholarship, the Career Advancement Scholarship, permits women to continue their education or training so they will be eligible for employment or will be prepared for advancement in a business or profession. Other activities include seminars and conferences.

A portion of each BPW member's dues goes to the Foundation's support. Other financial support comes from bequests, contributions, grants, gifts of property and life insurance, and legacies.

CAREER AWARENESS

In September 1973, the National Business and Professional Women's Foundation developed the Career Awareness Project funded by the Carnegie Corporation to link school counseling and career guidance more closely to the real world of work. One year later, local BPW Clubs were applying the program design

at the local level. Considerable research, planning, organization, and dedication are required. Additional information may be obtained by writing to: Business and Professional Women's Foundation, 2012 Massachusetts Avenue NW, Washington, D.C. 20036.

Non-voters
"Are you going abroad this summer?" one constituent asked his congressman. "No," he replied. "What's the use of traveling around among people who don't speak my language and who couldn't vote for me even if they did!"

Career Awareness Projects are not undertaken lightly.
