SOMETHING SPECIAL FOR BROWNIES AND JUNIORS

Something old, something new, and something really special will be available early this fall. The Traditional Girl Scout program for Brownies and Juniors is expanding into Worlds to Explore. One combined book for both age levels provides greater flexibility in choice of activities according to girls' individual interests and capabilities, rather than their age or school grade.

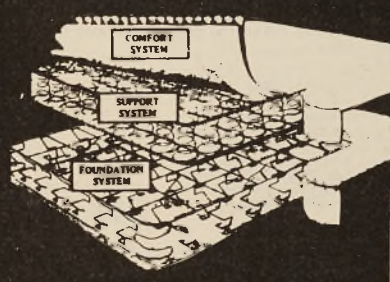

Worlds to explore (\$2.75) will be available in Girl Scout Equipment agencies and by mail from the Girl Scout National Equipment Service. In addition, there will be a Junior Badges and Sign Book (\$1.00). The badge requirements have been slightly revised and signs are offered in the traditional or new way.

Worlds to Explore is divided into six chapters: an introductory chapter that explains what Girl Scouting is--what makes it unique--and a chapter for each of the five worlds to explore.

Current Brownie and Junior handbooks will remain valuable resource material.

Cadet Scout Program will present many new challenges for the Junior High Girls.
