TOM GIBSON

Candidate for Sheriff

TOM GIBSON wants to give Robeson County Taxpayers the highest level of Law Enforcement Protection at the Least Possible Cost. Savings can be effected by the use of Good Management and Common Sense.

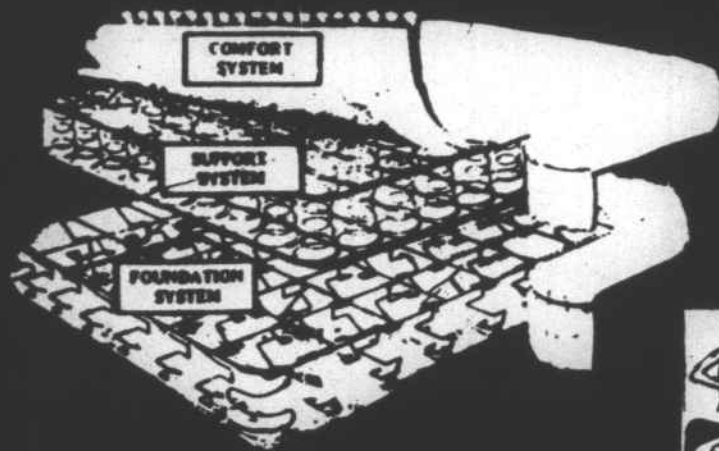

TOM GIBSON believes that a County Jail should provide a safe and sanitary building to house persons awaiting trial in the courts of Robeson County. Most of the Inmates of the County Jail have not been convicted by the Courts. It is important that the Jail should be operated in such a manner as to provide Humane Conditions in a safe and escape-proof building.

ELECT TOM GIBSON AND INSURE THAT THE SHERIFF'S OFFICE WILL:

- Serve civil papers by mail instead of using trained law enforcement officers whose times should be spent on more important matters.
- Increase the use of civilians for administrative duties.
- Aggressively seek grants to improve the quality of law enforcement.
- Reinstitute chapel services in the County Jail.
- Improve the cleanliness of the Jail.
- Increase security measures.
- Work with the courts to insure a speedy trial for all prisoners.
- Work diligently with the county commissioners to provide funds for construction of a new and modern jail for all persons awaiting trial.
- Insure proper training for ALL jailers.

UNFOUNDED Fears

Some people are so afraid of finding out they have cataracts, they don't go to have their eyes checked by eye-care specialists who can help them.

This can lead to needless blindness. Over 6,300 persons in the United States lose their sight to cataracts every year, yet this condition is curable in most cases. Cataract extraction is one of the most successful operations performed today.

Throughout its 70-year history, the National Society for the Prevention of Blindness has worked toward eliminating needless loss of sight.

For a free booklet about cataracts or other eye problems, write to your state Prevention of Blindness Society, or to the National Society for the Prevention of Blindness, 79 Madison Ave., N.Y., N.Y. 10036.
