Pembroke Elementary Plans May Day Program

The students of Pembroke Elementary School will give a performance on May 5th, 1978 at 10:00 a.m. honoring the tradition first handed down for many generations by the Roman people.

May Day was celebrated by the English people by going out early in the morning to bring in flowers. The fairest maid was always crowned with a wreath as queen of the May.

The American people still carry on the tradition by using the school as the setting for performances. The tradition usually includes dances, songs, contests, etc. by the students.

Pembroke Elementary School students will perform dances from various countries to honor the queen who is the honored lady of the program.

She will be attended by a court that has been chosen from the seventh grade classes.

Children from kindergarten through seventh grade will bring to life the story of "Queen Matilda of Magic Land." This will consist of dances chosen from countries that were supposedly blessed by the powers of Queen Matilda.

The American touch will be included by a group of dancers performing the popular dances of the thirties through the seventies.

The public is invited to attend this outdoor celebration in honor of the traditional May Day. Not only will your attendance add gala to the day, but will bring joy to the heart of each performer.

Edwards to be honored

There will be a recognition banquet honoring the services of Rev. H.E. Edwards to the community on Friday night, April 28th at 7 p.m. at the Townsend Middle School Cafeteria, Maxton.

The speaker for the evening will be Dr. Joy J. Johnson of Fairmont with many local dignitaries on hand. The menu will consist of baked ham, roast turkey with dressing, and giblet gravy, green beans, candied yams, cranberry sauce, tossed salad, rolls, tea, summer punch and dessert.

Tickets are ten dollars each and can be purchased at B & F Radio and Television, Smitty and Bob's Deluxe Cleaners, or any member of the Maxton Community Action Association. Proceeds from this event will go towards the construction of a community based rest home.
