New President Of PSU Chapter of AAUP

Pembroke—Dr. John Rimberg, professor of sociology at Pembroke State University, has been elected president of the PSU Chapter of the American Association of University Professors for the 1979-81 biennium.

He succeeds Dr. David Makofsky, PSU associate professor of sociology who served during the 1977-79 biennium.

Other new officers are: vice president—Dr. Gibson Gray, associate professor of political science; secretary—Mary Ann Walker, assistant professor of art; and treasurer—Dr. Bob Wess, associate professor of English.

Dr. Makofsky will serve on the executive committee in an ex officio position.

The executive committee is scheduled to have a planning session in the near future, discussing: (1) a meeting with AAUP chapters of area colleges like Methodist, Fayetteville State and St. Andrews; (2) meeting with the new chancellor, Dr. Paul Givens, of PSU; (3) a faculty delegate to the PSU Board of Trustees; (4) a meeting schedule for 1979-80; and (5) committee chairmanships.

SOCIAL NOTE

Bobby Bell of North Miami, Florida, son of Mr. and Mrs. Clayton Bell of Pembroke, N.C. spent ten days in San Juan, Puerto Rico and St. Thomas, Virgin Islands.

Christopher Columbus discovered Puerto Rico on November 19, 1493.

Bobby visited the La Fortaleza, (the Governor's Mansion), Capitol Building, San Juan Church.

Today old San Juan is an integration of past and present. Its buildings and streets talk of history and legend. Its air brings the myth of eternal youth in the salty taste of the Caribbean Sea. It still offers its natural and cultural beauty in a blend of continuity and contrast.

Bobby then traveled by air to St. Thomas, Virgin Island, he stayed at Bluebeard's Castle, St. Thomas, the Caribbean Hub of World Markets, with its free port, is still a center of commerce, as it was in the days when it was on the trade routes of the pirates and slave traders. The city of Charlotte Amalie, named after the Queen of Denmark, Bluebeard's Castle, now a hotel has one of the world's loveliest views.

Bobby returned to Miami Monday.

Pembroke Elementary School Banquet Held Recently

Seven young men received Athletic Awards Friday night at the Pembroke Elementary School Banquet. Those receiving awards were: (left to right) Jerry Newman, Paul Cummings, Lee McKee, Max Lowry, Johnny Oxendine, Kim Locklear, and Lemark Harris. They were noted for their achievements and their dedication shown during the past school year. The assistant principal, Kelly Sanderson, (shown far left) presented these awards.

Califano Awards \$700,000 Contract

Secretary of Health, Education, and Welfare Joseph A. Califano, Jr., today announced the award of a \$700,000 contract to PUSH for Excellence, Inc., for support of projects to encourage the nation's urban students in attaining academic excellence.

Under the contract awarded by HEW's Office of Education, PUSH for Excellence, Inc., headed by the Reverend Jesse L. Jackson, will strengthen its three current programs in Chicago, Los Angeles, and Kansas City, Mo., and initiate three additional projects in Denver, Chattanooga, and Memphis.

The PUSH for Excellence program encourages positive changes in students, particularly the disadvantaged, to enable them to acquire basic skills and achieve academic excellence. It emphasizes opportunity, motivation, responsibility, and accountability for student learning provided through home, school, and community cooperation.

An estimated 90,000 students in 60 high schools in the six urban communities will benefit from the PUSH for Excellence projects.

Currently, the PUSH for Excellence program is operating in 10 Chicago senior high schools, with a total enrollment of 20,000 students; nine Los Angeles senior high schools, with a total enrollment of 18,000 students; and in

Teresa Deese and Timothy Hunt were chosen "Most Popular Boy and Girl" Friday night at the Pembroke Elementary School Banquet. The two were voted on for the title earlier in the week by their fellow classmates. Mr. Kelly Sanderson presented them with their trophies during the evening.

Happy Birthday

Terry Oxendine, son of Shirley Oxendine of the Union Chapel Community celebrated his 20th birthday, June 10, 1979.

Why a 10pm laundry load is better than 10am.

It won't get your laundry any cleaner. Neither will an 8am load. Now, either time could be inconvenient for you, but someday, it may make a difference in your energy bill.

In fact, everything you can do to cut down on the energy you use between 10am and 10pm will help.

Because that's our Summer "Peak Load" period, the time when the demand for energy is the greatest. And we must have enough energy to meet that demand, no matter how high it gets.

So try to get by with less air conditioning during the day. Try to take showers, wash clothes and dishes before 10am or after 10pm. Conserve energy every way you can.

Because the more you get out of your energy dollar, the more we can get out of ours. And the less our bills will have to go up later on.
