Saddletree Church of God News

The Rev. Roy Clark of St. Pauls preached us a four night revival last week on Wednesday his text were, "Whose side are you on" Thursday "Will you go with me this man. Friday "You can't hide from God" Saturday "A Genuine religion". This man was anointed by God to preach his word and that's what he did for over an hour each night.

I've heard a lot of sermons but I believe they were some of the greatest I've ever heard. The spirit of God moved in ever service. We had visitors each night, from St. Pauls, Baltimore, Md. Fayetteville, Lumberton, Hoke County, Fairmont, Hope Mills, and Pembroke.

Sunday morning when we began service the spirit of the Lord moved and God wonderfully saved a soul we didn't go

to our class room-people were praying in the altar and God Blessed an renewed their strength.

Our children under the direction of Miss Jlynn Spaulding and Mrs. Mary L. Locklear presented a great program for us Sunday morning God has given us talented children and we thank him for them.

Sunday night the spirit of the Lord blessed us again. Brother Sampson preached.

Come worship with us when ever you can you're all invited and more than welcome. Sunday morning 9:45 evening 6:00 p.m. Wednesday 7:30 p.m.

If you request that you would like for us to pray, call 738-2500. Our area code is 919.

MT. AIRY JAYCEE NEWS

The Mt. Airy Jaycees had a lot of business to take care of at last Wednesday night's meeting. It got under way at 7:30 with Randy Maynor and Harold Dean Allen on cook detail. The menu was spaghetti and meat balls, and a salad; it was good. Everyone was finished with the meal by 8:30.

Mr. Truman Carter started everything off with a word of prayer. Next, Mr. Adrin Oxendine was elected as Jaycee of the Month. The Mt. Airy Jaycees took part in the building of Rev. Mike Cummings' home. Mr. Oxendine was the chairman of the brick work committee. Along with other members of the community, Mr. Oxendine worked until the job was completed. His co-chairman was Mr. Kirby Ammons. Mr. Oxendine was also chairman of the Mr. Anderson Locklear project. This was a project to build a ramp for a wheel chair where Mr. Anderson could get in and out of his home. Mr. Oxendine with the award and he well deserved it because he worked hard for it. Come on fellow Jaycees. Another award will be up for grabs next month. Who will it be. You?

Mr. Bobby D. Locklear, County Commissioner was present for the meeting. He presented Mr. Harold W. Tyner (president) with a check for \$300. The money was from the revenue sharing program. The money is to be used in the community to help people; and that is what we are going to do with it.

The Mt. Airy Jaycees are in the process of putting Mrs. Mary Locklear a bathroom in her home. We used \$120 of the revenue sharing money to complete the project. Mr. Winford Locklear, Jr. is the chairman of the project.

Mr. Kirby Ammons was elected as P.O.C. (Praedial of Chapters) chairman. He will work with the chairmen of each and every project. Together the two of them will keep up all the paper work that has to be done on all projects.

set to the project. we took up \$90.

The Mt. Airy Jaycees made plans for a car wash and a plate sale at Wednesday night's meeting. The Car Wash is set for July 28, 1979. OK everyone. Bring your car out and let us wash it. The plate sale is set for August 25, 1979. The menu will be fish and chicken, with all the trimmings. And we are going to fix a good plate. The chairman for the Car Wash is Bobby Carl Locklear. The Plate Sale chairman is Randy Maynor.

A check was given to Mt. Airy Church, and one to Burnt Swamp Church. Each check was for \$70, for a total of \$140. This was the ten percent from our last plate sale. We want to thank everyone who bought a plate.

P.S. Anyone with land for sale in the Mt. Airy or Burnt Swamp communities. Please contact Harold Wayne Tyner at 521-2662. --Submitted by a representative of the Mt. Airy Jaycees.

Oxendine Named to Additional Duties

PEMBROKE--Walter G. Oxendine, director of resource development at Pembroke State University since 1974, has been given the additional duties of being PSU alumni director for the 1979-80 academic year.

Wayne Bailey served as alumni director in both the 1976-77 and 1977-78 academic years. Last year there was a vacancy in that position, but Oxendine assisted in it.

Since joining the PSU administrative staff in February, 1974, Oxendine has also combined placement duties with his prime responsibility of fund-raising. In 1977 Mrs. Diane Jones was named director of placement and the human services center at PSU, relieving him of that responsibility.

A man of many hats, Oxendine served last year as coordinator and master of ceremonies of "Dr. English E. Jones Day," in which the out-going PSU chancellor of 17

years was honored.

Oxendine, 37, was a graduate of 1964, of Pembroke State University with a B.S. degree in physical education. In 1976, he received an M.A. degree in administrative through PSU's cooperative graduate program with Appalachian State Univier sity.

Extremely active in Jaycee work, Oxendine received in 1976 the highest honor in the Jaycee's organization, that of being named a Jaycees International Senator. It carries lifetime membership. He has received many other honors.

Oxendine joined PSU in 1974 after teaching social studies and physical education for five years at Pembroke Senior High School. He also served there as varsity track coach and coach of the jaycee basketball and football teams.

He is married to the former Connie Locklear Oxendine. They are parents of two children: Kendall, 12, and Kelvin, 11.
