JONES INTERCABLE

Locklear/Lowry VFW News

The 13th of August 1979 is the next scheduled meeting for the post. The time for this meeting will be at 7 pm. The post Commander Harold B. Locklear request that all post members be in attendance for this meeting.

Recruiting

Comrad Lee A. Maynor who is the chairman of post membership, is looking for new Veterans of Foreign Wars to join the Locklear - Lowry VFW Post. Comrad Maynor may be contacted at (919) 521-2032 or come by and see him at work (Texaco station corner of NC 72 and Union Chapel Road). He should be able to inform you on eligibility requirements for membership in a VFW post, and some of the benefits of belonging to the VFW.

Programs

Don't forget the program for this month's meeting promises to be one of great interest. With us this month will be Members of the Robeson County Sheriff Department. Who will give us a Program on Community Watch and Crime Prevention. Also present will be the North Carolina Highway Patrol, The State Bureau Of Investigation, and The North Carolina Wildlife Commission.

News Of Special Interest By The Post

As stated in last week's issue we will try to answer a few questions and give some facts on obtaining a scholarship for children of Veterans Of Foreign Wars who qualify under the provisions of North Carolina Statute chapter 165, Article 4. **When Should You Apply?** You should apply during your senior year in high school. Between the months of September 1 and May 1. For persons who are eligible in categories or class 1-A, 1-B or IV will be accepted at other times as well. Comrad Lowry states that if you are applying in one of these categories, please do so early to avoid any last minute troubles that may arise.

Class 1-A: Under this class a scholarship shall be awarded to any child whose veteran parent was killed in action or died from wounds or other causes not due to his own willful misconduct while a member of the armed forces during a period of war, or has died of service-connected injuries, wounds, illness or other causes incurred or aggravated during war time service in the armed forces, as rated by the United States Veterans Administration. There is no limit to how many may qualify. This

scholarship may be for as much as four academic years. What does it pay for? (1) Free Tuition (2) A reasonable board allowance. (3) A reasonable

room allowance. (4) Exemption from certain mandatory fees as set forth in the law. About how much money is

this? It can be as much as \$930.00 per a nine month academic year.

Look again next week for a continuation of this report.

JULY SPECIAL!

SNAPPER Facts: Functional design; sensible price.

The rear engine design of a SNAPPER rider provides unrestricted visibility, less fatigue from engine heat, exhaust and noise; and, a smoother cut resulting from less matting of grass in front of the cutting unit. With a short wheelbase, less weight on the front tires and no gears in the steering mechanism you get immediate response steering for cutting in tight places.

Add in: On-the-go adjustment of cutting height and speed, the floating cutting unit which minimizes scalping and damage.

Before you buy a rider, compare the quality and performance features of a SNAPPER. You'll find SNAPPER is worth more because it does more. And, its price is competitive with other quality mowers.
