SATURDAY SHOULD BE A MOMENTOUS DAY AT PSU

Page Eight

The Town of Pembroke as never seen a day like the one it will see Saturday. For the first time in its history. PSU will have the formal installation of its top administrator, Dr. Paul R. Givens.

No installation ceremony was held for the three previous men who served as president: Dr. Ralph D. Wellons from 1942-56, Dr. Walter Gale from 1956-62, and Dr. English E. Jones from 1962-79.

Mrs. Bertine Prine, who has been the secretary of every Pembroke State President since 1943, said, "The others merely went into office. There was no installation ceremony.'

Of course, in those days Pembroke State was a college whereas now it is a constituent university of the University of North Carolina. And all chancellors of the UNC system have installations. Already this year, the new chancellors of both Appalachian State University and UNC- Greensboro have been formally insta-

Dr. Jones is the only one of the four to have had the title of both president and chancellor. He held the title of president untill 1972 when Pembroke State become a part of the UNC system. At that time it was decided that only William C. Eriday, as the top administrator of the entire system, should be called "President." the top men on the 16 campuses of the system had their titles changed to "Chancellor.'

The installation schedule Saturday is as follows: 10 a.m.- 12 noon -- Registration and reception of guests in Old Main's Native American Mum: 1:30-2:45 p.m- Camon of the Chancellor

Mrs. Annie Ruth Locklear was taken back to Duke Hospital Saturday. Her condition remains unsatisfactory.

Mrs. Docia Jacobs was admitted to Southeastern General Hospital Monday. Please remember them in your prayers.

A TRIBUTE

Sunday will be a very special day for all mothers. And Lhave this to say. I had a mother and a father who really loved each other. So I know what love is. I've seen my son safely through these traumatic years, so I know what satisfaction is. I've prayed and my prayers have been answered, so I know what faith is. And I've had by my side for 53 years the mid-1950s.

kindest, lovingest, most considerate human being I have ever known, so I know what happiness is. And because I've known all these things, I know what wealth is. God gave mother to us for 92 years. And he took her home to be with him March 16, 1980. So now I know what sadness is. She won't be with us Sunday in person but she still lives in our hearts. We know that in everything God works together for good with them that love him. Romans 8:28.

Tax Cuts Said GOP Priority

WASHINGTON House Republicans say tax cuts are their top legislative priority for the next Congress should they win a majority of seats this fall.

Minority Leader John Rhodes, R-Ariz., told a news conference Monday that the top item on the GOP list is "enacting across-the-board cuts in personal income tax rates that will enable working people to have more real dollars to spend on personal and family needs." Republicans have not had majority control of either chamber since the

"The confidence you showed in me Tuesday makes me very proud to represent you again as a member of the Robeson County Board of Commissioners, Rowland District. My heart-felt thanks."

Wellsburg, W. Va.

Both he and his lovely wife. Lee, have been taken to the hearts of all with whom they have come in contact.

The new chancellor, comis to strange surroundings, has won many friends and worked very hard to spread the word about PSU. His list of speaking ments has been tre--and he has been a master at personal diplomacy.

He is a person who remem-bers to say thanks, many times with a personal note.

He has made many rennovations-and many others are sure to come as he measures his first year.

FRIDAY, JOHNSON HEAD PROGRAM FOR INSTALLATION

Leading the list of dignitaries here Saturday for the lation will be William C. Friday, president of the UNC system, and William A. Johnm, chairman of the UNC Board of Governors. Johnson was the commencement speaker last may when Dr. Jones was about to retire. President Friday has been here many times before. One of his most morable visits was when the English E. Jones Health and Physical Education Center was dedicated. He paid a great tribute to Dr. Jones on that day on Jan. 18. 1973. (Note: y the way, Mrs. Margaret Jones says her husband, Dr. Jones) will be unable to attend the installation Saturday because of his health problems. He is still receiving chemotherapy treatments at Duke each month for malignancy of the bone marrow.)

The installation program ill consist of: invocation John A. R or of the Pemi oke Area if the PSU

Today was regular preaching day. The pastor, Rev. Joseph Locklear, preached a wonderful sermon taken from the Book of Acts 12:5. He used for his subject "Pray without ceasing."

Don't forget the wedding of our assistant pastor's daughter. Rev. Clester Carter's daughter will be wed Saturday at 5:00 p.m. There will be a special singing at 7:30. You are invited to attend.

Thank you for praying for our sick ones. My mother, Mrs. Maggie Locklear, is doing much better. Keep praying for her. Also, Sister Jola Strickland and her mother Sister Nancy Ann Oxendine. Thank the Lord Sister Winnie Clark was able to be back in church.

THOUGHT FOR TODAY

Are you aware of God's presence? Jacob awoke from his sleep and said surely the Lord is in this place. God often takes us by surprise. He comes in unexpected ways, through unexpected people. God is not far away from us. He is always as close as we let him me. As you read his word and pray. stop and think that he is present. Praise his name.

Please pray for us at Ever Green.

Small Luxury Car Planned

DETROIT - Cadil lac, the luxury car division of General Motors Corp., is thinking small, an auto trade publication says.

A subcompact car will be offered by Cadillac as a 1982 model, Ward's Automotive Reports said Monday. The car — reportedly called "petite" — would be a twin of the ront-wheel drive replace nent for the Chevrolet Monza
