Our pastor preached a wonderful message, reading from the 14th chapter of St. John, starting at the 26th and reading through the 31st verse. He used for his text, The Comforter Is Come.

Bus service is a critical lifeline to rural America. The industry provides a vital and essential express and freight service to those communities and to tens of thousands of farms throughout the country.

Sister Louise, her husband Ernie and son Scotty, went a trip to Baltimore, Maryland to visit with their friends, Mr. and Mrs. Tony Locklear and family. Thank the Lord they had a safe journey there and back.

Sister Gladys had service in her home by Bro. Monroe Woods and some brothers and sisters from different churches. Bro. Woods preached a wonderful sermon.

Our Sunday School Rally will be held August 15th, at the Youth for Christ Camp in Maxton. Hope everyone will be able to attend.

Mrs. Leacie Brooks requests that everyone pray a special prayer for her that she'll soon be out of the hospital and at home with her family.

Thought for Today

Let us all pray, one for another, for United We Stand, Divided We Fall. Maybe we can help lighten someone's load. For the Lord says, "Whatever you ask in My name it shall be done." Pray for us at Evergreen.

SPANISH STUDENTS SHARE WITH KINDERGARTEN YOUNGSTERS

Some of the students in Mrs. Dolores Jones' Spanish III

class are shown sharing with the kindergarten class at

Wonderland Day Care Center.

PEMBROKE-The Spanish III class of Mrs. Dolores Jones at Pembroke Senior High School recently completed a unique teaching and learning experience at Wonderland Day Care Center in Pembroke.

The 13 students shared with the 3 and 4 year olds at Wonderland for a 6 weeks period. Mrs. Peggy Brewin-

ton is director of Wonderland. She enjoyed the innovative project immensely terming it "a good learning experience for our students."

The kindergarten students attended "Spanish Night" at Pembroke Senior High School following the completion of the project and, according to Mrs. Jones, "stole the show."

The students had taught their counterparts in kindergarten to count to ten, the days of the week, the colors, and special expressions...all in Spanish.

Mrs. Jones also spoke glowingly of the program. "It is a good learning experience for our students and I believe it also helped Mrs. Brewington in her program at Wonderland..."
