2 Kingston, H-T Venedale
 As members of the 3rd largest buying house in the country, we are able to give you national brand quality and variety in these private brands at savings of 5 to 15%.

3 Economy Brands
 Because of that same buying strength, we offer you a 3rd choice — Economy brands which include Dartmouth, Valu Time and other packer labels. These products are of standard quality or better, equal to the best nutrition and generally with savings of 10 to 30%.

4 National Brand Low Prices
 Basic National brand items, you've learned to trust and often need, priced as low as possible day after day. Now add it up — 4 ways to save and you don't have to give up quality, variety and service.

TO VISIT MEXICAN FAMILY **SOCIAL NOTE**

JOHN NELSON OXENDINE

John Nelson Oxendine, the son of Mr. and Mrs. Loretta Oxendine and a rising junior at Pembroke Senior High will leave Sunday, July 20, from Charlotte to fly to El Paso, Texas where he will meet a Mexican family and drive to Mexico to spend 4 weeks with the Monox family.

John was chosen by the Spanish Club who annually sponsors a student or students to visit Spanish speaking countries.

John Nelson belongs to the Book Club, BETA Club and Spanish Club at Pembroke High. He also attended the Encampment for Citizenship Course held in South Dakota last year. He is also a delegate to UNITY [United National Indian Tribal Youth].

Bobby Bell of Ft. Mill, Pa. spent his vacation last month in Pembroke visiting his parents and sister, Mrs. Sue Deane from Pembroke. He visited Williamsburg, Va. and toured the Governor's Palace. Then he went on to the home of the late Marjorie Merriweather Post (Hillwood). Mrs. Post's father, Mr. C.W. Post produces the Post Cereal Company. Hillwood is in Washington, D.C.

Here, the spirit and magnificence of the Russian Czars live again in rooms especially built to display innumerable dazzling objects. For in the richly decorative collection at Hillwood are suspended for eternity. Next stop was Philadelphia, Pa. where he toured the city. He visited Betsy Ross's House, Independence Hall. Bobby Bell then traveled to New York City, N.Y. where he attended three Broadway plays. First was, "Evita," starring Patti Dupont. Second was "Bent," with special guest star, Michael York and the third was "Romantic Comedy" with Anthony Perkins and Mia Farrow. This play was performed in "The Ethel Barrymore Theatre."

The world's oldest existing Parliament is in Iceland. It was established in 930.

"In language, clarity is everything." Confucius

MT. AIRY NEWS

by Violet Locklear
 The Home Choir rendered special music on Sunday morning at Mt. Airy Church.
 Also, Mrs. Leonia Wilkins was able to be back in church after being in the hospital for quite a while.

Mrs. Annie Ruth Locklear was able to be in church after being confined to her home due to illness. She also led one of her old time hymns, "Hand in Hand With Jesus."

Among some of the visitors were Mr. and Mrs. Gerald Allen Locklear and daughter of Detroit, Mich., Mr. and Mrs. Roderick Locklear, Atty. Dexter Brooks, Mr. Jerry Cummings, and many others.

The pastor really delivered a wonderful message. Of course he does that every Sunday. With such a wonderful pastor, I consider us one of the most fortunate churches in the Baptist Association.

Mrs. Goldie Lowery, Mrs. Emma Locklear and Mrs. Beulah Locklear spent the weekend in Clinton, N.C. visiting friends.

The Day Camp is every Tuesday for our little girls and boys. It is something they really look forward to. What they learn as a kid will live with them in the future.

Mr. and Mrs. Herbert Locklear, Miss Debbie Lou Locklear and Zina and Delevia Sampson enjoyed a seafood dinner together last Thursday night at Jimmy's Seafood Restaurant in Lumberton. With Zina being the sponsor, Mr. and Mrs. Locklear are two of Zina's favorite people.

The Vacation Bible School workers are planning some exciting things for us this year. They are meeting every Wednesday night.

We were very happy to see Mr. J.H. Locklear back in church Sunday. Although he is in declining health, he still

loves his church.

I visited Mrs. Etter Lowery for a while last week. She is confined to her home. If you can't visit her give her a call and brighten up her day.

Mrs. Beatrice Locklear has been moved out of I.C.U. at Cape Fear Valley Hospital. I visited her Sunday. Her condition is still serious.

Mrs. Leola Brooks is back in the hospital again at S.E. General. I visited her Tuesday.

Please remember all these sick ones in your prayers and others in our community.

Sunday, July 20th will be a very special day in our church. It will be a splendid recognition for a special group of people in our church. We want all your families here to be a part.

I would love to see our Jaycees get involved in attending church; something you would never regret.

August 10th will be Senior Citizens Day in our church. We will be honoring and recognizing the 60 and above people of our church family. We want to make it "Old Fashion" Sunday with special tributes going to those who have paved the way through the years for our church. We are looking forward to it.

WHO MET?

I need to be forgiven, Lord. So many times a day. So often do I slip and fall. Be merciful, I pray! And help me not be critical when others' faults I see. For so many times, my Lord, the same faults are in me. For "Life" is living together, Learning and caring for each other. And sharing the good news of Christ. What this world needs is more people who care, and show their love everywhere.
