

### 'Strike at the Wind!' plans special scouting night

"Strike at the Wind," now entering its fifth season is having a special girl scout night on Thursday, July 17 and boy scout night, Friday, July 18 and is inviting all scouts to attend at a reduced cost.

Scouts from across the state may see the moving outdoor drama about Henry Berry Lowrie and the Lumbee Indians on this night. "Strike at the Wind" is fine family entertainment with plenty of laughter, tears and adventure, set during the Civil War Reconstruction times in Robeson County.

Cindy Taylor, promotion director for the drama said that leaders should contact "Strike at the Wind" to reserve seats for their group by calling 521-3112. She added, "Only 1300 can be seated in the theatre and reservations will guarantee the scouts a seat."

Cindy said, "The show will be open to the general public this night also, at the regular prices. All those planning to attend should make reservations in anticipation of a large crowd."

"Strike at the Wind" plays Thursday, Friday and Saturday nights through Saturday, August 30. Showtime is 8:30 p.m. D.S.T. Follow the signs to the Riverside Country Club, 3 miles west of Pembroke, 1/2 mile north of U.S. Highway 74, on State Road 1354. Adults are \$4.00, children under 12, \$2.00. For more information, write "Strike at the Wind," Box 1059, Pembroke, NC, call 521-3112.

### Reflections

ALTA NYE OXENDINE  
STARTING OVER

Leon, Donny, Gordon, and our friend, Junior Locklear, are gone.

Unfinished lives, a tragedy beyond our comprehension, a truck driver injured, two vehicles totalled, houses minus the ramular rootsieps and voices, two funeral services to plan, so much business to take care of, lives to be picked up and re-directed, four loved ones who have permanently left this world, a devastating sense of loss. These were my feelings this week.

Only God knows how and why this happened.

And then the good things coming out of this experience -- an unbelievable number of persons who cared and took time to tell us so, hundreds of prayers, the reassuring services, friends and family who shared with us, the beautiful, beautiful flowers, the gifts, the friends who cleaned our house and yard, so much food we had to freeze a lot, cards, letters, phone calls, people saying, 'Let me know if I can help in any way,' those who did by helping pick the produce, work in the house, run errands, and everything else imaginable.

The support of Leon's entire family, my mother and brothers.

The constant uplifting of the Lord, our Creator, Savior, Sustainer.

This has been a bittersweet time, a time of testing, a time to grow in Christian grace, a time for starting over.

Thank you each one, for helping to make it possible.

### Incomparable

The Master's Choice Parlor Stove by Defiance

No other woodstove even comes close to the woodburning efficiency of the Master's Choice. Dual combustion chambers and patented draft control make the difference.

The Master's Choice gives you three draft settings:

**Total Primary Air** — all combustion air is directed into the primary combustion chamber. The secondary combustion chamber may ignite in this setting.

**High Heat** — combustion air is directed to the primary and secondary chambers, producing flame in both chambers, which results in the maximum amount of heat.

**Maximum Efficiency** — combustion air is directed to the secondary chamber. Wood consumption is at minimum in the primary chamber, while gases burn at maximum in the secondary chamber.

Patented hot air baffles circulate room air through the secondary chamber to be heated. Warm air is then returned to the room through side vents.

The Master's Choice is also available as a fireplace insert. The same features that make the parlor stove an efficient woodburner also increase your fireplace efficiency, making it a more economical source of heat for your home.

See the incomparable Master's Choice today. It's the most efficient woodstove you'll ever own.
