LETTERS TO THE EDITOR

A NOTE OF THANKS

A HAPPY NEW YEAR

Dear Friends. I've been reading over my last year's New year's mess-age for this column. What I said a year ago still "goes-" even though **our** year did not turn out as expected. We had of the memory family turn out as expected. We have all **five** members in our family for only **half** of 1980.

So-please know that, if you did any thing for us in 1980-especially if you are one of the many who upheld us with your prayers- we are more thankful than we can say with words! And may each of you have a blessed 1981! Now, Wanda Kay and I are the family! We had planned to send a Christmas card to every person or family who showed a special kindness to us follow-ing the accidental death of Leon, Gordon and Donny. But we were afraid of leaving out a

... THANKS TO ALL

Dear Editor:

We would like to take this opportunity along with all the committee who were involved and thank all who were participants in the first Pro-spect PTA Variety Show.

Everyone who participated was very very good and an activity such as this is really worthwhile because it gives our children a chance to let others know what they can do.

Have you ever wondered why you are so plaqued by sin? Why it seems that everywhere you turn, and no matter what you do, sin is nght there staring you in the eye like a deadly Cobra snake?

deadly Cobra snake? It's really quite simple. Ac-cording to Romans 7:20 and 22:23 it is because sin dwells within the flesh, or body of a child of God. Romans 7:20 tells us: "Now if I do that I would not do, it is no more I that do it, but sin that dwelleth in me." Romans 7:22:23 says: "For I delight in the law of God after the inward man. But I see another law in my members, warring against the law of my mind, and bringing me into captivity to the law of sin which is in my members." Note: In last week's, ere made mention of the faso didn't believe Jesus today in an audible However feeble the 4 tried to convey my op you that Jesus speak today through His W_R Bible.

Just because we are saved, we should never underesti-mate the power of satan.

Galatians 5:17 reaffirms the fact that the flesh (sin) is constantly at war with the Spirit. "For the flesh lusteth against the Spirit, and Spirit against the flesh: and these are contrary the one to the other: so that ye cannot do the other: so that ye cannot do the things that ye would.

I received a rebuttal from J.B. Locklear. Ri 255-A. Fayetteville. I ate his interest and o He said: "Gary: H speaks in an audible know because I am a example." He also sug read John 6:70-71 white If we, as saints of God would only accept this fact, we could lead better Christian lives.

Romans 7:21 informs us: "I find then a law, that, when I would do good, evil is present with me."

I may be wrong, but I think God knows we can never win out over sin all the time with our feeble minds.

If you go to the altar and you find your mind muddled with a lot of negative thoughts, it is simply a sign that sin is warring against the Spirit. And if you refuse to give in to those negative, or evil thoughts, the Spirit dwelling within your heart will win out.

I appreciate construct ticism such as this. At the sole purpose of this is to cdify God. And I as any of our readers' con-related to God.
