LOCKLEAR REUNION

By Dr. Jessie B. Chavis

The late Leonard Locklear family held its annual New Year's Eve family reunion Wednesday evening, December 31, 1980 in the home of Mr. and Mrs. Spencer Locklear of Route 2, Maxton.

Last year all of the ten children were present, but this time the family was not as fortunate. Mrs. Bonnie Jackson of Columbus, Ohio could not attend due to sickness and snowy weather. Clarence of Shannon was not present due to sickness having been home only a few days from South-eastern General Hospital, Lumberton. Burlin and Vardell were absent due to sickness also.

The six that were more fortunate and present, including Spencer, were Mrs. Stella Locklear of Shannon, Mrs. Bernice Locklear of Red Springs, Miss Lester Locklear

of Route 2, Maxton, Miss Georgia Locklear and Dr. Jessie B. Chavis of Pembroke.

Others attending were some of the grandchildren, relatives and friends and those traveling the farthest to be present with the family celebration were Mr. and Mrs. Joe Locklear of Columbus, Ohio and Mrs. Margie Locklear and husband of Detroit, Mich.

The family entertained each other by reminiscing, telling jokes, having plenty of laughter and singing gospel songs.

Everyone enjoyed a delicious dinner, served buffet style, near the hour of nine o'clock.

After everyone enjoyed the meal as well as the warm fellowship together, they returned back to the living room for more gospel singing, consisting of the family and friends.

At 11:50 Dr. Chavis called the group to form a prayer circle, a custom for the last years. 1981 arrived before the prayers were completed and at the end of the last prayer, the group joined together in singing "Auld Lang Syne" led by Dr. Chavis.

After wishing each other a "Happy New Year" the group retired for the night.

IT'S THE MOST

The house with the most rooms is the Billmore House in Asheville, North Carolina. Built between 1890 and 1893 and now worth about \$55 million, it has 250 rooms.

The most room found in any Ford LTD is in the 1979 model. Though sized for today, it can fit six passengers comfortably, according to Environmental Protection Agency volume indexes.

The stadium that affords the most room is in Czechoslovakia. The Strahov Stadium was built in 1934 and can accommodate 210,000 spectators for mass displays of up to 10,000 gymnasts.

The winningest race horse of all times is the Hungarian mare named Kinross - a wonder mare who won 54 straight races and never lost a race before she died in 1888.
