

**OUTREACH HOLINESS
CHURCH NEWS**
Sis. Fannie C.
Oxendine

Sunday School begins at 10 a.m. Morning service is at 11 a.m. The pastor is Rev. Clester Locklear and the assistant pastor is Rev. James "Buddy" Bullard.

We praise God for this New Year, and He has been so good to us at our church through the holidays.

We had a wonderful Christmas program. A soul came to Jesus that night at the end of our program. God is really blessing the Outreach Holiness Church. Sunday, the Holy Ghost came down in such a wonderful way and blessed our souls. We open our doors and we had 6 people to join our church. We just praise God for what He has done and what He is going to do for us.

Rev. Clester Locklear preached a wonderful sermon Sunday from Proverbs 14:12. There is a way which seemeth right unto a man. But the end thereof is the ways of death. Jesus is so soon to come we must follow Jesus and not

man. So many people are being led astray by following man. But if you will follow the Word of God you won't go wrong. Pray. Let God give you the real understanding of His Word. There are a lot out there preaching who have been to school. But they have never been to Calvary and had their sins washed under the blood. That is why they preach you sin everyday. Because they have never been saved. God's Word said if you love me you will keep my commandments. Then He said, "He that sins is of the devil." People, He said that people who sinned were not going to heaven. And if you are sinning and expecting to go to heaven what do you have to do to go to hell? When God comes into your life, He is the one that takes over your body and does the living not you.

'81 Business Expectations Discussed

Barry O'Brien of the faculty of Business Administration and Economics at Pembroke State University was the guest speaker at Pembroke Kiwanis Club on Tuesday evening. He was introduced by Program Chairman Gibson Gray.

In his discussion of business expectations for 1981, Professor O'Brien cited the conservatism approach of the new

So, therefore, God is not a sinning God. You will come out from among the world and be ye separated. You become a new person when God comes into your life.

I just praise God for the peace and joy that he places in my heart and life. Sinner, Jesus is coming and today is the day of salvation. Get ready! May I say you are welcome to come be with us anytime at the Outreach Holiness Church. May God bless you all.

administration which will result in a greatly reduced role of the government in the economy.

Presently we have 7.5% unemployment, inflation rising at 10% a year and zero increase in employment. How did this happen? No one can explain exactly how and why it happened and exactly what should be done to correct it.

What have we tried to do? Goals have been set, but have proven non-achievable. We wanted a quick fix to expand the supply of money, but you cannot print your way to prosperity. An increase in the money supply results in an increase in inflation.

The new administration is going to follow a tight money policy by reducing the rate of money supply. This means interest rates will remain

high—as much as 18% and will have to be paid in 12 months time. The reason interest rates are so high is to try to break the backbone of inflation. It is hoped that prices will fall after a long period of time. Businesses will only expand if they can make a profit. There will be much deregulation in the future. The message is that the price system will determine the economy's stabilization and not the increase of the supply of money.

Presiding at the meeting was Club President Adolph Dial, and Ed Teets delivered the invocation. Singing was led by Lankford Godwin accompanied by Ira Pate Lowry, pianist.

Announcement of P.S.U. Homecoming was made by Ira Pate Lowry. Tickets are now on sale at ten dollars per person, which includes the banquet on Saturday evening, January 17th.

Question No. 5

You should always file the same tax form the IRS sends you in the mail.

True False

Your financial circumstances change from year to year. The form you used last year might not be the right form this year. H&R Block can help you determine which is the best form to use.

The answer is FALSE, since the IRS can't know of tax related changes which might have occurred in your situation last year.
