

Produces "Works of Art" at Pembroke Middle School

The art class sponsored by the Indian Education Project of the Robeson County Schools, proved to be a success at Pembroke Middle School. The six-week class was taught by Mr. Craig Locklear. The seventh grade students at the Pembroke Middle School produced beautiful art work.

Barry Harding, Principal of Pembroke Middle School, was very proud of the students' work. He has placed the art work on display in the cafeteria. Said he, "Our students are really very talented. I am happy that they have had an opportunity, through the Indian Education Project, to express their talents."

The students of Pembroke Middle School are shown displaying their art. Shown seated left to right: Terry Locklear, Cornelius Cummings, Robert Brewington, Donna Godwin, David Lowry and Leon Hull. SAFETY SENSE
In your home the picture of safety? It may not be if you have old films in your attic. The 35mm film used in movie theaters till the early 1950s deteriorates with age and in time can become a fine brown powder that can burst into flame at temperatures as low as 106° F—a temperature found in many attics.

EVERGREEN CHURCH NEWS

by Mrs. Leacie Brooks
Church began with a song, "Victory in Jesus." Due to illness, the superintendent was unable to be in church Sunday. Bro. Jackie Wilkins, assistant superintendent, did a good job.

Then he was accused of blasphemy. They needed no more witnesses. They found him guilty. Guilty of love in the first degree. He was spit upon and beaten. All this he went through just for you and me. What are you doing with this man today? You either accept him or reject him. By rejecting him you crucify him. By accepting him you crucify him anew. What a great lesson.

The title of the lesson was "Tragedy of Rejecting Christ." The people tried to find something wrong with this man called Jesus. Many accused him of different things but none were able to tell anything that would call for the penalty of death.

The small children put on a wonderful program. They sang many songs and answered many questions asked by their teacher, Mrs. Louise Chavis of what they had learned from their lesson.

Two false witnesses came and said they heard him say "I am able to destroy the temple of God and to build it in three days." They wanted Jesus to tell them if He be the Christ, the Son of God. Then Jesus told them, "Thou hast said. Nevertheless, I say unto you hereafter shall ye see the son of man sitting on the right hand of power and coming in the clouds of heaven."

The youth class received the banner on Sunday.

Those paying their birthday offerings were little Shannon Chavis and Miss Dale Ammons.

Sunday was a special day for the members of Ever Green Church. One of our Sunday

School teachers has accepted the call to the ministry. A close and dear friend of mine, Bro. Edmond Locklear, Jr. delivered his first message. He did a great job. He said at the beginning of his message it had taken him thirty years to get really prepared. You might say why so many years. One good answer is that he was getting self out of the way.

His scripture reading was taken from Hebrews 13:1-6. He used for a topic, "The Lord is My Helper." Pray much for him that God will use him to help the lost see the Lord is their helper.

He will be speaking for us on Wednesday night.

The ladies will be holding their regular auxiliary meeting Thursday night at 7 p.m.

Sunday is pastoral day. Our pastor, the Rev. Joseph Locklear, is scheduled to bring the message. Be praying we'll have a great time in the Lord.

THOUGHT FOR TODAY

The Lord is My Refuge
If I ascend up in heaven, he is there. If I make my bed in hell, he's there. If I take wings

where ever I may fly, he's there. If I go to the deepest parts of the sea, he's there. Where ever I go, he'll be there. He's my keeper. All my help comes from him. He cares. That's why he's with me at all times.

Dear reader, please read Psalms 139. You'll find he's every where.

Please pray for us at Ever Green.
