## MAYOR JACOBS ANNOUNCES RE-ELECTION BID

James A. "Pete" Jacobs

James A. "Pete" Jacobs, Mayor of Pembroke, in announcing his candidacy for re-election as Mayor of Pembroke, released the following statement:  
"It has been my pleasure to serve the people of Pembroke as Mayor for the past two years. With the encouragement and support of many of the citizens, I shall again seek this office on November 3rd.  
"Since I assumed this office, things

have not improved in the economic world. Interest rates continue to climb, inflation still reduces the value of the dollar and unemployment is still much too high. In spite of these conditions, Pembroke has experienced some positive growth without undue economic burdens upon its citizens. Budget increases have been single digit while inflation has been in double digit figures. There has been a twenty-five cent (25c) decrease in the tax rate during the past two years and a more equitable water and sewer rate established. Sanitation fees have increased only moderately. Federal budget cuts have delayed a program of sewer improvements but plans are now being made to implement this program. Additional water sources have been approved and will be available within the next eight (8) months. A street improvement program will get under way within the next thirty (30) days and a Community Development Project for the northwest section of Pembroke is now in its final stages.  
"Pembroke has made progress, but much still must be done. With your support, we shall continue to move forward in our quest to make Pembroke a community in which we can all be proud. I solicit your vote and support in the election on November 3, 1981."

## Jacobs, Sandlin to head Second PSU Campaign

Chancellor Paul Givens announces plans for second Annual Giving Campaign for PSU. Co-chairmen for the campaign will be Joe Sandlin, left,

president of the Southern National Bank of Lumberton, and Pete Jacobs, right, mayor of Pembroke. A Kickoff \$50-a-plate dinner is scheduled Oct. 13.

Mayor James (Pete) Jacobs of Pembroke and Joe Sandlin, president of Southern National Bank in Lumberton, will serve as co-chairmen of the 1981-82 Annual Giving Campaign for Pembroke State University, it was announced Tuesday at a campaign committee luncheon at PSU.  
The Giving Campaign will have its kickoff Tuesday, Oct. 13, with a \$50-a-plate dinner in the Auxiliary Gymnasium of the English E. Jones Health and Physical Education Center. Part of the package deal that evening will be Maynard Ferguson Jazz Band, which will perform afterwards in the PSU Performing Arts Center.  
Last October PSU raised \$20,000 to erect its Bell Tower with a \$50-a-plate dinner launching its first Annual Giving Campaign.  
"We want to get people in the habit of giving to PSU beginning in October each year," said Chancellor Paul Givens at the campaign luncheon. "The margin of difference between an average university and an excellent university is the margin of giving to that institution."  
Sandlin commented: "In our campaign, we want people to know what this University is doing. We want corporations and businesses to know that we have something here which will make them a lot better company. We've got to do it with extreme pride. This should be an easy goal to attain."  
Chancellor Givens injected: "I've been

telling people how good we are. It is going to mean that much more with people like Joe Sandlin telling them this."  
Mayor Jacobs said he didn't see any reason why the campaign should not be a success. "To me, it is a very modest undertaking."  
The breakdown of different giving categories are: Friends of the University, Corporations, alumni, faculty and staff, students and parents, board of trustees, private foundations, PSU foundation and endowment boards, businesses and professions, and golf tournaments.  
The funds will be used for: (1) operation of the Chancellor's Scholars Program; (2) recruitment of students and promotion of the University; and (3) scholarship money.  
"I was optimistic last year, and I see no reason why we shouldn't succeed this year," said Chancellor Givens.  
Members of the campaign committee present at the meeting included: Glenda Bartlett of Fayetteville, Leroy Marks of Laurinburg, Ira Pate Lowry and Welton Lowry of Pembroke, plus PSU faculty and staff people like Dr. Ed Crain, Adolph Dial, Lacey Gane, Terry Hutchins, William S. Mason, Jr., Alphonzo McRae, Dr. Matt Morrison, Walter Oxendine, Dr. Richard Pisano, Mrs. Felicia Turner, Gene Warren and Mrs. Ann Wells.

## Violence averted in Pembroke incident

PEMBROKE--Responding to an all points bulletin, Ed Jacobs, security officer at Pembroke State University, and Pembroke policemen and other law enforcement officials from throughout the county, were able to avert a dangerous situation at the Pembroke Police Department and avoid potential bloodshed.  
The incident occurred at the Pembroke Police Department Monday night when Donald Lee Jones, 33, appeared at the police department holding a shotgun to his wife's head.  
While inside the police department Jones reportedly threatened both his wife and Sturgeon Locklear, a dispatcher.  
Locklear was able to radio for help and Jacobs and other law enforcement officials converged on the scene. Jacobs engaged Jones in conversation and, following a few tense moments, was able to subdue Jones along with Pembroke policemen Greg Jacobs, David Cummings and Jeffrey Locklear.  
An onlooker said, "Jacobs (Ed 'Boots') performed an heroic act. I believe he kept someone from getting killed. It was potentially a very dangerous situation."  
Jones was placed under \$6,300 bond and charged with assault on a female, assault on a police officer and dispatcher and communicating threats.

## P.S.H.S. WARRIOR OF THE WEEK

Sponsored by  
**OXENDINE GARAGE & TIRE SERVICE**

The Pembroke Senior High "Warrior of the Week" for the Orrum Raider game is Derwin Strickland, defensive end. Derwin played an outstanding game coming up with ten unassisted tackles and assisting on eight others.  
He is the son of Mr. and Mrs. Reggie Strickland of Pembroke and is in the eleventh grade.  
Displaying none of the offensive punch they showed in the South Robeson game when they amassed 270 yards, the Pembroke Warriors struggled to a scoreless tie with Orrum last Friday night in a non-conference football game. Neither team seemed able to penetrate the defense of its opponent.  
Only Orrum managed anything like a sustained drive. After taking the opening

kickoff, the Raiders controlled the ball for half of the quarter only to have to punt when the drive stalled. The Warriors then fumbled the ball on their own 12 yard line and it looked as if Orrum might draw first blood. Driving to the Warrior goal line, the Raider quarterback fumbled into the endzone where the Warriors recovered stopping the threat.  
This seemed to set the pace as both teams had drives stall due to penalties or incomplete passes. The game produced a total of 16 punts, eight for each team.  
In the second half, Coach Ralph Ward went with back-up quarterback Devy Bell after an injury to starter Anthony Locklear, but Bell proved no more successful at moving the ball.  
At 1:25 in the fourth quarter, Orrum prepared to punt and it looked as if the Warriors might get one last chance to put some points on the board. However, instead of hiking the ball to the punter, the ball went to the Raider fullback who ran for a first down and put Orrum in scoring position. This was not to be as Orrum fumbled and gave the Warriors another shot. Bell was able to get off four long passes in an attempt to move the team down the field but none were complete and time ran out on the Warriors.  
The only possible bright spot for the Warriors was the defensive play which managed to hold the Raiders to a total of just 58 yards (23 rushing) and eight first downs. The Warrior offense tallied 128 yards (97 rushing). Once again, however, the team was penalized over 100 yards and gave up two costly fumbles.  
Tomorrow night, the Warriors host the Red Devils of Red Springs. Game time is 8 p.m. and admission is \$2.50.
