

Pembroke State University

AMOUNT OF MONEY OFFICIALLY IN FROM DINNER: \$14,600

The second annual fund-raising dinner at Pembroke State University was a success as both an enjoyable occasion and as a fund-raiser. Walter Oxendine, PSU director of development who was in charge of ticket sales, reported that the last official count was \$14,600 -- but it was sure to top the \$15,000 mark. More money was on the way from Charlotte.

The proceeds from these funds will be used for: (1) student scholarships, (2) faculty development, and (3) University advancement.

The program featuring Charlie Justice, former UNC All-American football player, and Charlie Harville, dean of North Carolina sportscasters, was an overwhelming success. The films of Justice in his playing day, narrated by both men at the podium, added a special ingredient to the program. In our opinion, the program was better than last year. In fact, everything seemed to move better. And a tremendous crowd attended the Maynard Ferguson Jazz Band concert afterwards.

Here is the list of ticket purchasers to the dinner (some wish to remain anonymous): Acme Electric, Alpha
