PEMBROKE. A good place to live

Pembroke is a great place council persons that are: to live and I am proud to be a citizen of the Town. To me, Pembroke represents more than an individual personality, a specific clique, political slate, just another town or and town codes, that can place on a map. Pembroke represents a people, a symbol, a way of life that I desire, status, geographic location or and want to contribute for

Dear Bruce:

Pembroke is home to me, and always will be When I think of Pembroke from a historical perspective, I think of the many citizens that have lived in the Town, and others who have lived on the fringe, that have contributed to the Town, and to us as a people. Some of the names that come to mind are: Swett, Brayboy, Jones, Barton, Hunt, Jacobs, Locklear, Brooks, Strickland, Oxendine, Revels, Cummings, Johnson, Godwin, Bell, Hardin, Sanderson, Dial, Wilkins, Chavis,

•After the 1980 re-evaluation, the COUNTY OF ROBESON lowered its tax rate to 0.83, however, the TOWN OF PEMBROKE reduced its tax rate to only 0.70.

•This already low TAX RATE was NOT INCREASED for the 1981-82 fiscal year.

 PLANNED GROWTH policies have substantially increased the TAX BASE for our Town thereby protecting our INDIVIDUAL citizens from tax rate increases.

 The present administration's successful efforts to obtain more FEDERAL FUNDING has aided their effort to hold the line on tax increases.

 Town WATER & SEWER rates for residential users have NOT INCREASED over the past FOUR YEARS.

 Town SANITATION FEES were not INCREASED for the current fiscal year.

 The current administration has established strict ACCOUNTING AND INVENTORY CONTROLS to ensure no dollar of the taxpayer's money is misused.

•The present administration is making every effort to ensure that all TOWN SERVICES are available to every citizen including those residing in newly-annexed areas.

.Can you honestly say that the Town is not in GOOD HANDS? Given the record of the present administration with regard to TAXES and SERVICES, can we really AFFORD a change at this time?
