On Saturday night, the losers game will be held at 7 p.m. with the winners game set for 9 p.m. A \$1,000 check will be presented to the winning team in the form of an Athletic Scholarship.

MEN'S BASKETBALL SCHEDULE TOUGH

PSU then dropped to Francis Marion 62-61.

Roger Carr again leads the Braves in scoring averaging 23 points per game while junior college All-American Michael Southerland adds another 20 points a game to the PSU attack.

Aluminum pots may darken from spinach or potatoes or other alkaline foods. Brighten by boiling two teaspoons of cream of tartar to one quart of water.

Before wearing a new garment, touch the center of every button with clear nail polish. This will seal threads and the buttons will stay on much longer.

The Exemption To The Rule.

First Union's New Tax-Exempt C.D.

That's exactly what the new one-year Tax-Exempt All-Savers Certificate of Deposit is all about. It allows you a cumulative exclusion of up to \$2,000 interest on a joint Federal income tax return or \$1,000 interest on an individual return, subject to IRS and state tax regulations.

The Tax-Exempt All-Savers Certificate will have an annual investment yield to maturity equal to 70% of the average investment yield to maturity for the most recent auction of 52-week U.S. Treasury Bills. And the minimum deposit is only \$500. Of course, deposits are insured up to \$100,000 by the FDIC.

First Union is now offering the new Tax-Exempt All-Savers C.D. So don't wait to take advantage of the exemption to the rule. Because it's an exceptional way to save.

The following chart illustrates approximate tax-equivalent yields for different income-bracket tax rates of the Tax-Exempt All-Savers Certificate at the current annual investment yield to maturity:

32%	12.26%
49%	16.35%

If a depositor elects to withdraw interest on a periodic basis prior to maturity, the effective yield to the depositor of the All-Savers Certificate will be lowered. There will be a substantial penalty for early withdrawal including loss of tax-exempt status. Tax-exempt status will also be lost if the certificate is used as collateral. The annual investment yield of the All-Savers Certificate will change periodically; however, the yield in effect on the date of purchase of an All-Savers Certificate will apply during the full one-year term of that certificate. All-Savers Certificates will be issued through December 31, 1982.
