McDUFFIE CUMMINGS

CONSIDERING A RUN FOR

CLERK OF COURT

...ADOLPH DIAL

FOR THE HOUSE

McDuffie Cummings, town manager for Pembroke, today confirmed that he is "seriously considering running for Clerk of Court."

Said Cummings, "I am sounding out the possibilities...testing the political waters. I am very encouraged by the response I have had from people I have talked to..."

Cummings, 35 years old, has been Pembroke's town manager for 5 years. Cummings noted, "I believe I have the managerial skills needed to run the clerk of court's office. My business background and experience as a town manager would be helpful in that undertaking."

Dixie Barrington was appointed last week to replace the late Ben Floyd as

Clerk of Court. She has indicated that she will seek a full term in 1982.

And Adolph Dial, Chairman of Pembroke State University's Indian Studies Department, has indicated in recent interviews that he is interested in running for the N.C. General Assembly's House of Representatives.

Dial finished fourth in the last election for three house seats.

Said Dial, "I have always been interested in serving in the House; I believe I could represent our District fairly. A lot of important decisions are made in Raleigh."

To date, Bernard Lowry, a retired educator and former magistrate, has been the only candidate to officially announce for the House.

Jaycettes host Past Presidents

The Pembroke Jaycettes held their annual Past President's Christmas Social Dec. 8, 1981. The social was hosted by President Elvera Locklear and held at the home of Mr. and Mrs. Renford Scott of Pembroke. The annual social is held in honor of past presidents of the Pembroke Jaycette Club to celebrate the club's anniversary.

There were seven of the eleven past presidents in attendance, as well as a very special guest, Mrs. Patsy Prevatte, past president of the Lumberton Jaycettes and the N.C. Jaycettes. She was charter president of the Pembroke Jaycettes in December, 1967.

Everyone enjoyed a covered dish supper followed by a gathering around the Christmas tree for special presentations. President Elvera Locklear presented a red silk rose to Patsy Prevatte and Joy Locklear in recognition of

their efforts in beginning the Pembroke Jaycette Club.

Gifts were presented to all past presidents. Mid-year awards were presented to present club members along with a Christmas gift from the president. Frances Chavis, Treasurer and Courtesies Chairman, presented birthday gifts to those having birthdays in December. She also presented a baby shower gift to Dr. Cheryl Locklear who is expecting her third child this month.

The Pembroke Jaycettes meet on the second and fourth Tuesday night of each month and welcome any young woman between the ages of 18-35 to come visit and join. If interested you may call 521-9500 or contact any member of the Pembroke Jaycettes.

The Pembroke Jaycettes would like to wish everyone a very Merry Christmas!

Pembroke Jaycees host Christmas Party

The Pembroke Jaycees were host to approximately thirty of the county's three hundred young men who have been placed on probation for one reason or the other. It was kind of like a family affair because the youngsters were accompanied by their counselor who works so hard to see that the young people regain their rightful place in society.

The Jaycees provided hot dogs, hamburgers, and a present for each youngster which let the young people know that someone in the community still cares.

The Jaycees also presented all counselors present with a certificate of appreciation for all their long hours of devotion to the community.

Many of the young men present were from families the Jaycees knew, adding a boost to their great association.

One young man said, "I am

proud of my counselor because he has really shown interest in me and that makes me want to get back on the right track, stay in school and grow up to be somebody."

Buddy Bell, Chairman of the Project said, "The Jaycees were glad to host this project because these young men will grow up to be a citizen one day and tonight may be the turning point in their life. We hope these young people will be an asset to their community and not a liability."

Rudy Locklear, Vice Chairman, was proud to share in the project. The project has stimulated him to expend every effort to keep the Pembroke Jaycees number one in North Carolina. Said a representative of the Pembroke Jaycees, "We take our hats off to Rudy Locklear because the Pembroke Jaycee spirit is alive in our community."
