## "RED BALLOON SERIES" DESERVES SUPPORT: IT BEGINS SATURDAY NIGHT

PSU's innovative "Red Balloon Entertainment Series," which are four special programs especially designed for children, begins Saturday night at 7 p.m. in the PSU Performing Arts Center. The first attraction is "Dr. Tom and Seus," a mime performance, meaning communication without words. It has been billed as "one of the most fascinating mime shows ever."

Each Month, director of

the PSU Performing Arts Center, put the series of entertainment specials together and is excited about it. "All of the programs are excellent," he says, "and will be enjoyed greatly by the community."

Individual children's tickets to the different performances are, in chronological order of the events: \$4, \$3, \$3, and \$4. However, a children's season ticket for all events can be purchased for \$9.50. The accompanying adult or guardian is admitted free. For children of PSU faculty and staff members, the season ticket is \$7.50.

Other programs later in the series are: Friday, Feb. 26--Robin Hood Players present two children's classics, "The Prince and the Pauper" and "The Three Musketeers;" Saturday, March 13--the Nee Ningy Band; and Saturday, April 13--the Flying Lemon Circus. All of the programs begin at 7 p.m.

Please plan on seeing and supporting this series.

## HOMECOMING ONLY THREE WEEKS AWAY AT PSU

Pembroke State's 1982 homecoming is only three

weeks away, being scheduled Saturday, Feb. 13, and the homecoming committee is making final plans for the event.

A homecoming semiformal dance is scheduled Friday, Feb. 12, at the National Guard Armory in Lumberton from 9 p.m. to 1 a.m. Invited are students, faculty, staff members and alumni. Cost will be \$4 per person.

On Saturday, Feb. 13, plans call for the following: 11 a.m.--homecoming parade, sponsored by the PSU Student Government; 12:30 p.m.--finals of the NCAA Division II Southeastern Regional Wrestling Championship; 5 p.m.--alumni banquet in auxiliary gym (everyone is invited to purchase ticket, not just alumni) with banquet tickets being \$5; 6 p.m.--women's basketball game vs. Pfeiffer; 8 p.m.--men's basketball game vs. Pfeiffer (homecoming queen will be crowned at halftime); 10 p.m.--student disco in the Student Center and Braves Club Victory party in the auxiliary gymnasium.

This year tickets to the basketball games will be

separate from those to the banquet. Cost of a game ticket is \$3 per person.

Walter Owsdale, director of PSU Alumni Affairs, says alumni dinner tickets are being distributed, including 200 being mailed out this week. Presidents of all alumni chapters will be receiving tickets, and all Robeson County schools will be contacted. As an added attraction this year, holder of the lucky ticket stub can win a free television set donated by Jack's Furniture of Pembroke.

Among the people honored there was Paul (Bear) Bryant. The chancellors of Appalachian State University and Western Carolina University flew

out on the same plane with Dr. Givens. But because of the snow, Dr. Givens and Gane were delayed one day from 8 a.m. to 8 p.m. in trying to fly back to Charlotte. It was a 12 hour wait at the airport.

## "Much Ado About Nothing"

The National Players production of William Shakespeare's "Much Ado About Nothing" held in the Performing Arts Center was a huge success Tuesday night despite the freezing cold weather. The crowd of approximately 400 thrilled to the delightful comedy based on the romantic happenings of two who finally get together. The National Player, a professional theatre group, have appeared at Pembroke State in the past with their productions of "Twelfth Night," "The Miser," and "Romeo & Juliet." For this attraction the senior citizens in the area were admitted free and several students from area high schools took advantage of the reduced ticket price. Much Ado About Nothing, was part of the Season 81-82 line-up.

The first shorthand system known to the modern world was published by Dr. Timothy Bright, under the title "Chrestomathy: The Art of Short, Swift and Secret Writing." London, 1588. Despite the author's claims to the contrary, it was as difficult to learn as would be a foreign language.

The wild cherry tree, "another" to the fruit-bearing ornamental cherry, is native to America. Its fruit is rarely eaten but it's wood is prized for making furniture of high quality.

One pound of raw potatoes, unpeeled, makes about two cups when mashed.
