

# THE COMMISSIONER'S CORNER

By Mac Legerton, Staff Member, Robeson County Clergy and Laitly Concerned

## REPUBLICANS REQUEST ELECTION CHANGE

The Robeson County Board of Commissioners met on Monday, Feb. 1, at 5:30 p.m. The major decisions and actions of the Commissioners at this week's meeting are as follows:

### ROBESON COUNTY COMMITTEE ON DOMESTIC VIOLENCE

In a unanimous decision, the Commissioners agreed to write a letter of recognition and support to the Committee as it seeks to address the serious problem of Domestic Violence in Robeson County.

In an opening presentation, Ms. Dianne Phillips, Staff Attorney of Lumbee River Legal Services, noted that one out of every four families in the U.S. experience violence in their homes. She stated that in our county, 50 percent of all calls received by the Police are cases of domestic violence. Ms. Donna Chavis, chairperson of the Committee and a Staff Member of Robeson County Clergy and Laitly Concerned, stated that the Committee is a "multi-racial, inter-religious, and inter-agency working group formed to bring together persons and agencies to address the problems of domestic violence so that services for battered persons can be established."

Along with the recognition received from the Commissioners at the meeting, the Committee has received formal support and endorsement from other agencies, including the Mental Health Center, the Dept. of Social Services, the Judicial System, Migrant and Seasonal Farmworkers, Robeson County Church and Community Center, the Black Caucus, and Legal Services.

In a unanimous decision, the Commissioners voted to take a request to change voting procedures for Commissioners under advisement. The request was brought by Mr. Ed Johnson, Chairperson of the Republican Party in Robeson County. At the present time, Commissioners are voted upon by district balloting in the primaries and by county-wide balloting in the general elections. Mr. Johnson's request is that "the County Commissioners take the necessary actions to be consistent—either have county wide elections (non-district primaries) or elect commissioners from districts in the general election." Mr. Johnson said that he personally favors both primaries and general elections being decided in each district and that he bases his concern for the change on the grounds of the 1965 Voting Rights Act.

**SOCIAL SERVICES EMPLOYMENT SHIFTS**  
Due to Federal Budget shifts, the Work Incentive (WIN) Program in Robeson County has lost its funding. The commissioners supported re-hiring the three staff of the WIN Program who had assisted unemployed recipients in finding job placements and training. Their new jobs will be to assist in locating parents who are not meeting their necessary child support payments.

### OTHER APPROVALS

- (1) The purchase of a new copy machine for the Board of Elections.
- (2) The hiring of three employees to the County Water Dept.
- (3) A salary increase for the County Fire Marshall.
- (4) A \$25 deposit for renters to hook up to the County Water System.
