Bible thought for the week

### Proverbs 3

My son, forget not my law; but let thine heart keep my commandments; For length of days and long life. And peace shall they add to thee. Let not mercy and truth forsake thee; find them about thy neck; write them upon the table of thine heart; So shalt thou find favour and good understanding in the sight of God and man.

Birthday Proverbs for Thursday May 13th; Psalms, 128-1--Blessed is everyone that feareth the Lord; that walketh in his way.

Please remember the sick, and shut-ins in your prayers, also remember the sad and the lonely.

Does more rain occur over the ocean at night or in the daytime?

Rain is more likely to occur from clouds above the oceans at night. This is contrary to the situation on land, where most of the rain is experienced during daylight hours.

Water does not absorb heat from the sun's rays as readily as does land. The earth heats up in the daytime and the heat thermos which rise produce clouds, and these clouds, as they rise, produce rain.

The process over the sea is often the reverse, especially if cold winds move in over the water at night. The warmer water, and warmer air just above it, will often rise and produce rain at night. So the general rule is, more rain over land by day and more rain over the sea by night.

## News from Outreach Holiness Church

by Sister Fannie C. Oxendine  
Out Reach Holiness Church Sunday School begins at 10 a.m. Morning worship is at 11 a.m. First and third Sunday service begins at 7 p.m. Singing is each fourth Sunday at 2:30 p.m. The pastor is the Rev. James "Buddy" Bullard Jr.

another man. Paul said yea, and all that will live godly in Christ Jesus shall suffer persecution. I'm so glad that in my life the devil can see that I belong to Jesus and therefore I'm persecuted for Christ's sake. If you are not persecuted, then the reason is because the devil already has you. But if you walk with Christ and let your light shine you will be falsely accused and called everything out a Child of God. Jesus was called everything but the Son of God. I just thank God that he is our Lord and Savior. He is blessing our church, souls are being saved. In the last four weeks eight persons have been saved. We just thank God for what he has done and what he is still going to do. We are working for Jesus and when he comes, he will reward us for what we have done down here.

Sunday was a beautiful day and God has been good to us. We just praise him for his blessing. God is proving to us at Outreach the we are in his will. Why? Because: souls are being saved and the devil is mad and praise God we are glad. We are a group of God's children. We just believe in living for Jesus and doing His will and not man's. Man will fail you and let you down. We are praying for the lost souls and those who say that they are saved, but who are running from house to house lying on churches and people and you have never been to the church that you are talking about. And, praise God, you don't even know what you are talking about, but God has got your number and praise God what I like about it, your talk is not keeping God from saving souls and he sends us each Sunday more good people who are looking for a place that they can hear the true word of God and people that don't let the devil jump up and take over the service. Praise God we know the right spirit from the wrong spirit. That is what is wrong with the churches today. They let anybody come in and join the church and they don't even know that the person's real belief is.

I don't know what my reward on this earth will be because one day this earth is going to pass away, but the word of God will stand. Are you standing on God's holy word? If so, keep on standing for the true gospel. God said there would come a time when man would rather hear a lie than the truth and church we are in that day now. God is soon coming. Sinner, you better get ready it is sooner than you think. Jesus is coming.

Please pray for Mrs. Sadie Oxendine's family who lost her son, Mr. Vonnie Oxendine, Jr. He was loved by his family and those who knew him, a fine and wonderful young man. He will be dearly missed in the Union Chapel area. We looked forward to always seeing him when he came home to visit. We pray that, sinner, you will get ready. Jesus is coming. We send a warm welcome out to all who would love to come with us anytime. Come and see for yourself how God is blessing us. We love you but God loves you best. We praise God for Mrs. Cathy Oxendine who was saved Sunday. That was a wonderful Mother's Day. Don't forget our singing the fourth Sunday evening at 2:30 p.m. You are welcome at Outreach Holiness Church.

He said by their fruit you will know them. Are you worthy of God's calling. Romans 7:2-3. For the woman which hath a husband is bound by the law to her husband so long as he liveth. But if the husband be dead, she is loosed from the law of her husband. So then, if while her husband liveth she be married to another man, she shall be called an adulteress, but if her husband be dead, she is free from that law. So that she is no adulteress though she be married to
