

PROJECT BEAUTIFUL DEMONSTRATED BY MISS LUMBEE

Mrs. Woodrow Cummings is shown introducing Rhonda Flanagan, Miss Lumbee, to the Pembroke Homemakers Club. (Photo by Elmer Hunt) applying make up. Mrs. Foda McNeill was the lucky person whose name was drawn to serve as a model. Questions were bombarded at Ms. Flanagan on the "How?" "Why?" and "What?" in proper care skin care and the art of

a natural, yet flattering make up. Ms. Flanagan pointed out how to camouflage poor features and accentuate good ones, explaining that every person has some good features. She also demonstrated clever tricks from which the past 40 lady can benefit.

Mrs. Lucy Locklear, President, called the meeting to order. The group sang, "America." Mrs. Theodore Lowry, secretary, called the roll and the minutes were read and approved. The through for the day was "Lord, give us patience."

The "Yard of the Month" contest score card was discussed and members encouraged to participate in next year's program.

Leader talks were: "Living on Less Money," by Mrs. Marshall Locklear and "Food Conservation" by Mrs. James Brewington.

Mrs. Margaret Brooks reported 110 stamps for "Feed the Hungry" were collected. Final plans were made for

the August 5th County EHC picnic at the O.P. Owens Auditorium.

Club members set up "Treasures from the Garden" as their July exhibit—a collection of canned fruits and vegetables.

Following the Club Collect refreshments were served to sixteen members and one guest by co-hostesses Mrs. Dorothy Byrd and Mrs. Lela Brooks.

Hospital Expansion plans Presented at Pembroke Kiwanis Meeting

Mr. Donald C. Hiscott, Southeastern General Hospital Administrator and President of the Hospital Board of Trustees was the guest speaker at the Tuesday evening meeting of Pembroke Kiwanis. He was introduced by Kiwanian Gibson Gray.

Mr. Hiscott noted that the hospital has been on West 27th Street since 1953 and has expanded to its current size of 352 beds, which includes 80 beds for long term nursing care. Currently, many departments have not been renovated since 1968. In addition, more space is desperately needed.

Through the use of models, the new 11 million dollar expansion program was shown. The first part of the expansion plan is a parking deck which will replace the present parking lot. This phase is practically completed. On September 1st, work is scheduled to begin on a Diagnostic and Treatment Center. This new building

will house the emergency department, with covered ambulance entrances; a new X-Ray department with better traffic flow than the current facility; a new laboratory; a new intensive care unit on the 2nd floor which will have 19 beds. Two new elevators will be installed for emergency patients. Thus such patients can be transported free of public traffic. There will still be room for further expansion and possibly more operating rooms.

The question of how to pay for all this involves 14 million dollars in bonds which will be sold, possibly at 14%, exempt from taxes, and to be paid off over a 30-year period. It is hoped this project will be completed in four years. Memorial Endowments are also being considered by the Board of Trustees to help finance this project. Southeastern General is a non-profit organization dedicated to the health care of area citizens.

Announcements included that of Bill Oxendine who announced that the Little League Baseball runners-up and tournament winners will be present at the August 3rd meeting of Kiwanis. Club President Carter presented Henry Ward Oxendine as a new member of Kiwanis. Clayton Maynor announced that the Pembroke Rescue Squad fund-raising tickets are still on sale. The dinner to be held at the Seafood Restaurant, Monday, August 2nd. Presiding at the meeting was President John L. Carter; invocation was given by Theodore Maynor; pianist was Ira Pate Lowry and song leader, Lanford Godwin. Donald

Hiscott paid tribute to Ira Pate Lowry, newly elected member of the Board of Trustees of Southeastern General Hospital.
