A MESSAGE TO RESIDENTS OF ROBESON AND SURROUNDING COUNTIES FROM

LUMBEE MEMORIAL GARDENS CEMETERY: •FACT: Lumbee Memorial Gardens is a perpetual care cemetery.

*FACT: There is no comparison between a perpetual care cemetery and a "Burial Rights"

•FACT: A so called "FREE SPACE" is the most expensive property you can own if you have to take care of it.

FACT: Travel just a few miles in your car, in any direction, and you will see a forgotten cemetery that has grown up in weeds and trees.

•FACT: Lumbee Memorial Gardens is 11 years old. Only two cemeteries in Robeson County are controlled by State Laws of North Carolina. Lumbee Memorial Gardens is one.

•FACT: We have almost one mile of wide, paved streets in Lumbee Memorial Gardens Cemetery. No dirt drives.

•FACT: Lots are numbered and deeds issued to buyers. Families know where their burial estates are located. Over 3,200 spaces sold and deeds issued to lot owners, over 300 burials in Lumbee **Memorial Gardens** *FACT: One of the largest features of Christ located in the center of the cemetery, and a twenty five

foot singing tower that plays religious music at times of funerals located in a separate garden. (The only one in Robeson County).

NOW YOU HAVE READ THE FACTS, LET'S LOOK AT THE FUTURE:

Death is something we don't want to think about or talk about. But one day we will all be faced with the problem. There are only two ways to select your burial estate, either together or alone. It is so much better to do it together before you have a death in your family.

There are four ways you can pay for your burial estate:

1. Cash

2. 90 days, same as cash.

3. Small down payment, small monthly payments.

4. You tell us.

At time of need, ALL CASH and alone.

Fill out the coupon below, or call 738-5354 and let us explain our Pre-Need Program.
