An Open Letter to the People of Robeson County
from Ed Johnson

Since moving to Robeson County (from Columbus County where I was raised) 8 years ago, I have really come to love "The Great State of Robeson". Robeson County is a good place to live, to raise a family, and to work. In 1974 I moved to Lumberton and began a new business from scratch. With the help and blessing of the Good Lord and the fine people here who have chosen to do business with my firm it has grown and prospered. I plan to live in Robeson County the rest of my life.

We have a serious problem here; however, and that problem is we don't have enough jobs for our people. The problem has nothing to do with Democrats or Republicans. The truth of the matter is NO ONE has really worked to bring a better opportunity to our area for our people.

The only real commitment I have made throughout this campaign is I will work as tirelessly as I know how to give our people a chance for a better opportunity for themselves. I will work with those who really want to improve their quality of life.

I know many Robesonians have never voted Republican... and I can understand the problem you may be having in doing so on November 2nd.

Our unemployment problem affects us all, Democrat and Republican, Black, Indian, and White. Unemployment knows NO race and NO color.

VOTE ED JOHNSON FOR CONGRESS

LET'S SEND A
ROBESONIAN TO
WASHINGTON TO
REPRESENT US!!

Finally, this campaign has been the greatest thrill of my life. I have made so many new friends that I will cherish the rest of my life. I ask you to let's join together for a brighter future for us all.

May God Bless You.
