

## Southside/Ashpole School Enjoy Halloween Treats

## Deep Branch School hosts Carnival

**GOING FAST**—Hot chocolate was the most popular item on sale at Pembroke Senior High School's football game Friday night, thanks to the

chilly temperatures. Here, from left, Trisha Carter, Eudora Dial, Jenny Carmichael, and Rhonda Mayner (hidden) mix cups of the hot brew for

eagerly waiting customers. In the background Al Farnell and Hampton Brayboy bag popcorn. [David Malcolm photo]

## FHA Club News

by Virgil Oxendine, Reporter  
The Future Homemakers of America Club at Prospect High School held their annual meeting Wednesday night, Nov. 3, 1982. They discussed the workshops that the club officers, advisor and two representatives attended at Scotland High School recently.

The topics discussed were: Homemaking Proficiency Events by Sara Oxendine; Social Graces by Tammy Harris; Baby Language by Nena Oxendine; Fund Raisers by Sheila Bullard; Relaxer Ideas by Tina Lowery; Leadership by Tina Jones; Families and Futures by Virgil Oxendine; and Tarheel Connect by Cora Locklear.

Plans were also made for different projects to occur during the school year. After the meeting was adjourned, refreshments were served.

On Tuesday, Oct. 26, 1982, the boys and girls in Mrs. Mary F. Locklear's third grade class at Southside/Ashpole School, assisted by the teacher aide, Mrs. Mary E. Oxendine, prepared nutritious snacks in their newly opened science lab. This was the first cooking experience in

the new lab. The class had been studying food groups in nutrition and this experience was a treat for the children to enjoy.

The children had been studying Halloween words in language arts for the month of October. They were assigned the task of naming the treats

for Halloween. The class called their cookies "Goblin Cookies" and their drink "Powerful Vampire Blood."

The classes had an enjoyable Halloween treat. Mrs. Mable H. Revels, principal of Southside/Ashpole, stopped in to sample some of the Halloween treats.

## Union Chapel School observes Career Awareness

"Don't you know what I mean when I hold up my arm," hollered the traffic cop as an old lady was about to cross the street against the lights. "I ought to," she replied. "I was a school teacher for twenty-five years."

"Mind nagging me a little? I'm starting to fall asleep."

Dr. John Adams is shown with some of the students.

Ms. Cynthia Johnson is shown with some of the students.

First and second runners up, Dora Sampson and Derrick Scott Brooks. Jason Lauree and Christy Oxendine. John N. Sampson, principal. The winning couple were from the classroom of Mrs. Betty C. Locklear.

First runner up were Dora Sampson and Derrick Scott Brooks from the classroom of Mrs. Rosella Brooks.

Second runner ups were from the classroom of Mrs. Dorren Hall: Jason Lauree Sampson and Christy Oxendine.

A plate sale was conducted from 11 a.m. until 7 p.m. The faculty and staff would like to express their gratitude to each of the parents for their support.

The 1982-83 king Carnival King and Queen, Cynthia Dawn Locklear and Jonathan Hardin were crowned by Mr.

Deep Branch King and Queen Cynthia Dawn Locklear and Jonathan Hardin.

**SOMETHING TO CHEER ABOUT**—Pembroke Senior High School cheerleaders Jackie Sweet (head turned), Syveta Lowry, Tyvia Jacobs and Norma Chavis (on Jacobs' shoulder) cheer their team on

Friday night. Pembroke fans had plenty to be happy about as the Warriors blew past Three Rivers 3A Conference foe West Brunswick, 28-7, in the final football game of the season. [David Malcolm]

The fourth and fifth grade classes of Mrs. Marianne Jarvis, Mrs. Rebecca Lowry and Mrs. Yvonne Wallace at Union Chapel School recently discussed careers and their importance to our daily lives. Resource people were used. Mrs. Cynthia Ballard, Skin Care Specialist of the Silhouette Skin Care in Pembroke discussed the importance of daily care of the skin. She demonstrated the cleaning process in relationship to a lesson in the health text. Mrs. Ballard also demonstrated the use of skin care products on a student and a teacher. Ms. Cynthia Johnson, LPN nurse of Southeastern General Hospital, discussed, on a later date, the function of the heart and the importance of controlled blood pressure. Ms Johnson stressed the importance of daily hygiene care also. She checked the heart beat and blood pressure of some students and the teachers involved. Dr. John Adams, optometrist of Pembroke Eye Clinic, visited the school and discussed the eye in the school media center. He showed a filmstrip on the eye and gave the students handouts on the eye. He talked about some of the diseases of the eye and corrective lens used in eye protection.
