Paid for by HELMS for Senate, Mark Stephens, Treasurer

**PLATE SALE IN PARK**  
Tired of chicken plate sales? If so, come by the Pembroke Town Park Saturday, June 18. There will be delicious fish and barbecue plate for sale. The Menu will include home-made potato salad (like only a Robeson County lady can make it) plus home-made slaw. Come on out and support "Lumbee Pride."

**Lumbee River EMC . . .**

**"Member Information Nights"**

LOCATION	DAY	DATE	TIME
Lumbee River EMC Main Office, Hwy 211, Red Springs	Thurs.	June 16,	7:30-9:00 p.m.
O.P. Owens Center, Lumberton	Thurs.	June 23,	7:30-9:00 p.m.
Lake Rim District Office, Hwy 401, Fayetteville	Thurs.	June 30,	7:30-9:00 p.m.
American Legion Building, Wagram	Thurs.	July 7,	7:30-9:00 p.m.

Come meet the staff of Lumbee River EMC and find out how your cooperative works. You're invited to "Member Information Nights" which are being held at any one of the above locations. The purpose of the meetings is to update members on the cooperative and to answer questions. Come prepared to participate, or just to listen. You're welcome at any of the meetings.

Be sure and mark your calendar for these special meetings, or better yet, clip and post this ad so you won't forget. See you there.

*"... working harder to serve you better."*

"Common sense is the shortest line between two points." **Ralph Waldo Emerson**

Some social wasps in tropical countries build huge nests. One kind, often builds a home six feet long.

**Pembroke Kiwanians learn about IRA**

Program Chairmasi Bernard Lowry presented J. Scott Heritage, a personal banker from Wachovia Bank & Trust Company of Lumberton. He is a member of the Lumberton Kiwanis Club.

The history of Social Security began in 1933 during Franklin Delano Roosevelt's Presidency. The Social Security Act was passed to help supplement the retired worker's income. Over the years it has increasingly taken more worker contributions to finance one retiree. The Individual Retirement Account (IRA) enables one to make a tax deductible contribution to him self. Any wage earner or self employed person under the age of 70 and 1/2 can deposit up to two thousand dollars a year in an individual retirement account. You can deduct this contribution from your taxable income even if you are presently covered by a company retirement program. If you put \$2,000 into your IRA you can reduce your 1983 Income Tax by \$580 if your taxable income is \$20,000. An example of how much an IRA Account can mean to you when you retire- if you are age 25 now, by the time you are

age 65 you can draw on a million, 126 thousand dollars (based on a single person.) The IRA gives you a choice of investment options. The options come under minimum deposits into what is called the accumulator, which has a variable rate fund with a minimum deposit of \$500.

The benefits of IRA- interest is based on current money market rates, there is flexibility in the program as you choose from a variety of investment options with both fixed and variable rates for your deposits. You can open with any amount, you can add to your account in any amount. If you choose to skip an entire year, you can do so. There are no investment fees- all your money remains in your account to earn interest and your deposits are insured by the Federal Deposit Insurance Corporation.

Reggie Strickland, Chairman of the fund raising committee, reported ticket sales on the lawn mower donated by Piggly Wiggly are going very well.

Presiding was Marshall Locklear and the invocation was given by Garth Locklear.

"Farming... a kind of continual miracle wrought by the hand of God." **Benjamin Franklin**

A cold spot - Mount Washington in New Hampshire clocked winds at 231 miles per hour one April day in 1934.

**RTC to hold Bond Referendum**

Robeson Technical College received approval Friday from the Local Government Commission to hold a bond referendum in late September or early October of 1983.

RTC President Dr. Craig Allen, President-Elect Fred Williams and Board of Trustees Chairman A.D. Lewis accompanied County Manager Paul Graham to Raleigh to meet with the Commission. Mr. J.D. Foust, who is the Deputy State Treasurer, and Mr. Chalk, the Referendum Coordinator, met with the Robeson Tech delegation.

According to Dr. Allen, "Some might say it was a stroke of luck. Others might say it was an answer to prayer. Mr. Foust has come to the aid of our college before. In the early 1970's, when he was the Coordinator of Federal-State Relations for our system of community colleges and technical institutes, he helped us get the EDA (Economic Development Administration) grant that enabled us to get out new campus. Because of his realization of the severe need that our college faces for adequate facilities, he gave verbal approval for the bond referendum to be held this fall. He agreed that time was of extreme importance so that appropriate planning and development could be done on this important project."

Paul Graham and County Attorney Joseph C. Ward, Jr. are proceeding to send in the appropriate application in order to set a firm date for the referendum.

The money requested in the bond referendum approximates seven million dollars to be used for additional facilities and equipment that will update RTC's programs to better meet the needs of today's technological society.
