

Amati String Quartet to appear at PSU

Pembroke State University is pleased to host the Amati String Quartet, as part of THE SEASON '83-'84 Cultural Events Program at the Performing Arts Center.

The Amati Quartet is celebrated throughout Europe for its perfection of ensemble and artistic mastery. The Quartet made its performing debut at La Piccola Scala in Milan; within a year the artists had performed in many of the most prestigious European music centers, among them the Accademia di Santa Cecilia in Rome and Salle Gaveau in Paris. The Quartet has made a number of recordings, and its most recent release is the first recording of the complete Donizetti Quartets.

The program will consist of Donizetti's Quartet No. 5 in E minor, Donatoni's "The Heart's Eye" and Brahms' Quartet in C minor, Op. 51, No. 1 and will last approximately 90 minutes. This is indeed a rare opportunity to see and hear a live performance of these classics.

The Performing Arts Center is honored to host one of only six performances in the United States this year. The Amati Quartet's appearance is part of THE SEASON '83-'84 Series. Single tickets are on sale now for \$5.00, \$4.00 and \$3.00. For information on group rates and ticket reservations, call (919) 521-0778.

The earth's surface holds 324 million cubic miles of water.

Ms. Patricia L. Chavis, who is Program Director II in the South Central Area Administration of the Division of Prisons, received the North Carolina Chapter of the American Correctional Association's Outstanding Service Professional Award for the South Central Region. The Award was given to Ms. Chavis at the Chapter's Annual Meeting, held October 18th in Raleigh.

The Association gives one award in each of four regions and one state-wide award in the category of professional or citizen.

The Award is in recognition of outstanding service and dedication to the correctional community and for exemplifying the highest personal commitment to the goals and principles of the Association.

Ms. Chavis has served with the Division of Prisons for eight (8) years; and is an advocate of correctional programs, with a special interest in the area of inmate classification. She has continuously participated in seminars, training programs, and in the development of various aspects of inmate programs. Noted achievements have been her work in the development of local guidelines in manual form for use in the segregation facility operations and the work release mini-manuals which are used locally for the operations involving work release inmates housed in local jail facilities and of which have been of tremendous value to jail officials. She is a certified PIN (Police Information Network) operator, and has recently served on two Division of Prisons task forces.

A native of Robeson County, she is also a member of the N.C. State Government Employees' Association and the American Correctional Association, inclusive of the N.C. Chapter. A 1974 graduate of Pembroke State University, she holds a Bachelor of Arts degree in sociology, having concentrated on the area of Criminal Justice; currently, she is enrolled in the PSU graduate program.

She and her husband, Kenneth, have one daughter,

Ashkea; they attend the Berea Baptist Church in Pembroke, and reside in the Union Chapel Community. Her favorite pastimes are spent reading and just working around in the yard with her flowers and bushes.

Mrs. Chavis shows a great deal of abilities in varied areas, being a capable, organized and diversified employee who executes her duties admirably.

Community Art Guild Art Show rescheduled

Mrs. Willie Hawley, President of the Community Art Guild of Robeson County, has announced that the annual art show featuring guild members has been rescheduled from the spring of 1984 to November 4-11, 1983 in the Osterneck Auditorium of the Robeson County Public Library in Lumberton. Since the main purpose of the show is to give local artists an opportunity to exhibit and sell their work, it is anticipated that the new pre-holiday time will en-

courage greater area participation. Each guild member may exhibit two pieces of ready-to-hang work as well as place other items in the Artists' Bin. Because the Artists' Bin contains a variety of reasonably priced work, it has become a popular feature of the show. Non-member artists who wish to participate may join the guild by paying dues of \$12.50 on the receiving day at the library on Tuesday, November 1. The juror for the show will

be Paul Van Zandt, Chairman of the Art Department at Pembroke State University. Mr. Van Zandt teaches college courses in jewelry, sculpture and ceramics. He received a Bachelor of Fine Arts degree from Oklahoma State University and a masters degree from Tulane University, New Orleans. Ribbons for first, second and third place will be awarded.

The West Point Pepperell Purchase Selection will be announced when the exhibit opens with a reception at the library at 7 p.m. on Thursday, November 3. For additional information call Mrs. Hawley at 739-2721.

REVIVAL TO BEGIN
Revival will begin at Prospect United Methodist Church on Sunday, Oct. 23 and run through Oct. 28. Services begin on Sunday night at 7 p.m. and at 7:30 a.m. Monday-Friday. Evangelists will be Rev. Bill James Locklear and Rev. Bob Mangum. Special music will be presented nightly.

"The first 40 years of life give us the text; the next 30 supply the commentary on it." Schopenhauer

Invest in the Money Market Account that's proving its worth against the competition.

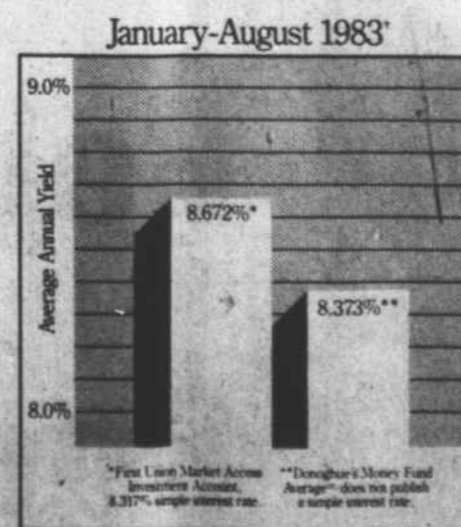

the Donoghue Money Fund AverageSM of 220 taxable money market funds for 7 out of the last 8 months.

Not only does our Market Access Investment Account give you a better return on your investment, it offers more security

And you won't find a monthly statement anywhere that's as simple and informative. We've designed a new format that's concise and easy to read for your convenience. And it includes everything from deposits and credits to daily interest rates.

Take a look at the competition. Then take a closer look at our Market Access Investment Account. Stop by any First Union office for more information or call 1-800-532-RATE, toll-free, for current rates.

The facts are in. First Union's Market Access Investment Account is more than just a smart, profitable investment. It's better than a money market fund. And here's why. We've consistently paid higher, more competitive yields than most money market funds. In fact, we've beaten

and accessibility than money funds. You're insured for up to \$100,000 by the Federal Deposit Insurance Corporation. Your money is available whenever you need it at 200 First Union offices throughout the state. There's no limit to the number or amount of in-person withdrawals you can make with a Market Access Investment Account. And now there's no monthly maintenance fee. In fact, there are no fees of any kind.

FIRST UNION

Take a closer look.SM

First Union's Money Fund Average, as reported by Donoghue's Money Fund Report of Hottel, MA OFTC, is the source of the basic figures used in making this comparison. Both average annual yields, based on 365 compounding days and an average account balance of \$10,000, are for the period January 1-August 31, 1983. An introductory premium rate of 8% greater than the Donoghue's Money Fund Average which was paid by First Union for the first 12 days in January is included in this comparison. All fees which would reduce actual income earned have been disclosed from monthly account earnings. For other average account balances in a Market Access Investment Account, the average annual yields would vary. Individuals only. Future yields may vary. NESA 887 FDC.
