Woodell's Park and Shop back in old location... but in new quarters.

WODELL'S PARK & SHOP BACK IN OLD LOCATION... BUT IN NEW QUARTERS!

PEMBROKE-Fairley and Eleanor Woodell are proud to announce to their many customers and friends that they are now back in their old location... but now in new quarters completely refurbished after an unfortunate fire earlier in the year.

Woodell's Park and Shop is back in their old quarters on W. 3rd Street but everything else is new, including the completely refurbished building. The food mart features cold beverages, groceries, meat, snacks and full service gas pumps, with the latest innovation in gas pumps; something called Multi Products Dispenser (MPD). The modern store will feature Amoco gas.

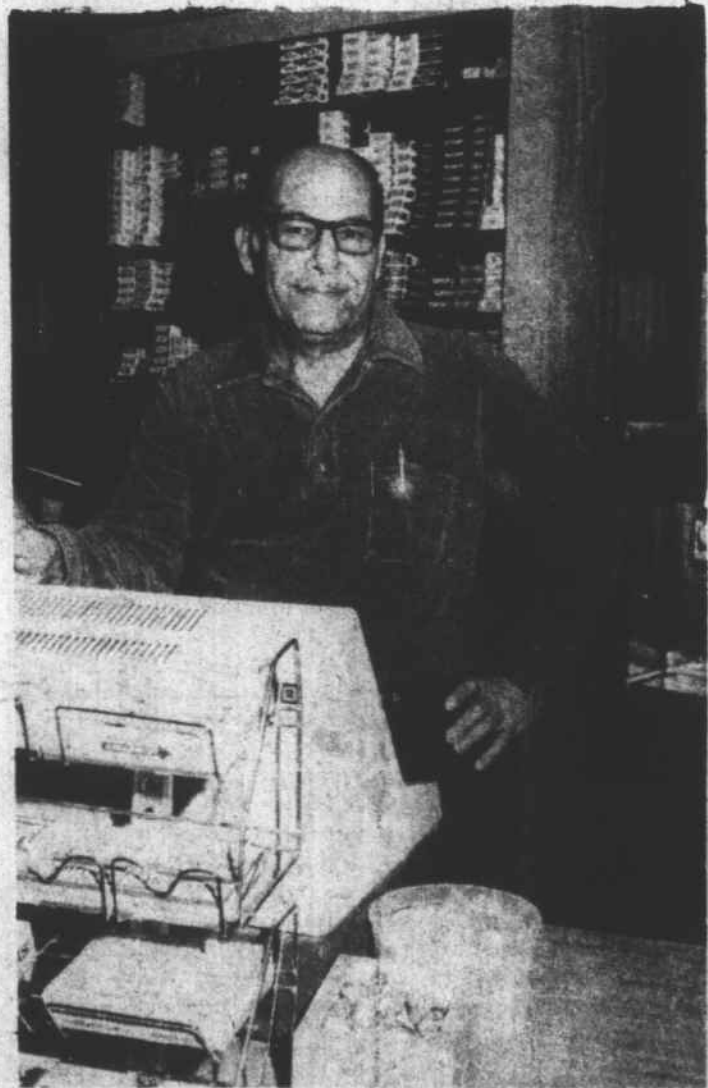

Woodell's Park and Shop is modern in every regard, even featuring hot coffee and hot dogs for the customer. Said Woodell, "We have tried to make our store as modern and as convenient as possible for our customers."

The newly refurbished mart has brightened up Pembroke considerably, and enhances the town with its well lighted and spacious location.

Woodell has been in the "grocery" business for most of his working life, and enjoys interacting with people. He is a former town councilman, a member of the Lumber River Council of Government and has served on a number of civic organizations and governmental agencies.

The Woodells invite everyone to their grand opening which is set for Thursday, December 20 at 10 a.m. A number of dignitaries are expected; and several free prizes will be awarded on December 24, including \$100 in gas, a television, a ladie's and men's watch and several other gifts. Everyone is invited to visit the new store and register for the free gifts.

Woodell said, "I enjoy living and working in Pembroke, and Eleanor and I invite everyone to visit our new quarters. We appreciate your business--past and present."

RECEIVES PSU DEGREE FROM HOSPITAL BED

by Gene Warren

Lumberton-Mrs. Sadie Nye Hall, 71, who is in Southeastern General Hospital in Lumberton with terminal cancer, was Tuesday presented something for which she has studied hard for 10 years; her B.A. degree in history from PSU.

Conferring the degree in the hospital was Chancellor Paul Givens of PSU, assisted by Dr. Leon Rand, vice chancellor for academic affairs.

Lying in the hospital bed, Mrs. Hall, thin now from the ravages of cancer, had a cap and gown placed upon her. The degree was placed in her hands and viewed by her relatives, friends, and attendants who crowded into the room. Surrounding the room were flowers and cards of well wishes.

Not only did Mrs. Hall receive her coveted degree, for which she began taking courses in the fall of '74, she also was informed by Chancellor Givens that she has been selected to Alpha Chi, the highest academic society on the PSU campus.

Mrs. Hall's voice was weak, but she said: "I am proud of myself and proud of you all because you were so beautiful to help me so much."

Mrs. Hall is a widow, her husband William having died in 1981. They have no children, but two of her sisters-Gladys Shooter and Jessie Morgan-were present. Her other sister Eva Lewis, had to miss the occasions because of illness. All are from Lumberton. Other relatives were also present.
