CRAZY PATCHWORK

What's so CRAZY about Crazy Patchwork? You can use ANY piece of fabric on it—silks (men's ties are great), velvets, brocades, taffetas and moires—even polyester knits!—Your patches can be ANY shape, ANY color, ANY texture—they overlap and go any-which-way—You can use ANY stitch to sew them together and hide the seams—from the fast feather stitch to fancy flower sprays (there are hundreds of possibilities)—You can embroider on ANY personal message—

The real joy of this lively art is the freedom with which you can get spectacular results! This practically foolproof instruction book shows you how to make dozens of projects such as vests (the Black Velvet winter vest is SUMPTUOUS!), evening dresses, evening bags, jackets, dressing gowns, a baby quilt and pillow (that will keep any baby entertained), two wondrous Christmas wreaths and a Christmas stocking, an entire bathroom ensemble, and more! Step-by-step directions, diagrams and beautiful full-color photos show how to lay out the patches, quilt them and adorn them like MAD with dozens of stitches—all shown in BIG, CLEAR diagrams (use them, combine them or invent your own!) Conroy makes suggestions, and offers inspiring ideas and tips.

Do it by hand or by machine. All the techniques are set out for you. It's easy, it's fast, it's creative.

BONUS: The Crazy Patchworker's Designer's Notebook with ornamental patterns you can shape your patches to—or appliqué on. 110 pages, 8 1/2 x 11, hundreds of photographs (8 pages in full color) and diagrams, index.

TO ORDER: Send your name, address, zip code and \$9.95 plus \$1.25 postage and handling to American Melody, 123 South Street, Oyster Bay, NY 11771. NY residents add appropriate sales tax. Please print clearly.

SAVE! Order two for \$19.00 plus \$1.90 postage and handling.
