Steve Johnson
directly related to my confidence. I feel like I am shooting the ball well but need to continue to work on my foot quickness." Johnson scored his career high last Saturday night when he tallied 26 points and grabbed 11 rebounds. He has led the Braves in scoring once and has been the team's leading rebounder in five of the first 13 games.
No matter how the Braves end up in 1986, Steve Johnson will be looked to by the opponents with a "new" respect. The 1983 graduate of Cape Fear Academy says he is looking forward to the remainder of this season and his senior year.
"I just see good things happening to Steve individually along with the team in the future with his continued improved play," Coach Kenney concluded.
PSU To Host Indoor Soccer Tournament On Saturday, Jan. 25
PSU will host the Second Annual Indoor Soccer Tournament on the PSU campus on Saturday, January 25 beginning at 8:30 a.m. A total of 12 teams will compete for the 1985 team championship.
Teams entered include East Carolina, Lenoir-Rhyne, Pfeiffer, UNC-Asheville, St. Andrews, Western Carolina, Montreat-Anderson, Guilford, PSU and club teams of Fishlake, Colortone, Pembroke, and Charlotte Select.
The tournament, held in the main gym of Jones P.E. Center, will conclude with the quarterfinals starting at 4:15 p.m., the semifinals at 6 p.m. and the championship finals set for 7 p.m.
Admission is free. Last year Pfeiffer won the team title 2-1 in overtime over Fishlake.

PSU's Steve Johnson is New Leader for Basketball Squad in 86
Steve Johnson, a 6-foot-8, 195-pound junior from Wilmington, has started to become a force to be controlled on the basketball court for the Braves of PSU.
Through the Braves' first 13 games, Johnson has emerged as the team's fourth leading scorer (11.3) and second leading rebounder (7.1). In addition, the Wilmington native has made 52 percent of his shots from the field (55-106) and 73 percent from the line (37-51).
Pembroke State Coach Dan Kenney feels Steve has become one of the better forwards in the tough Carolinas Conference.
"I think that Steve has just done an outstanding job for us. Right now he might be the best high post player in the Carolinas Conference," commented Coach Kenney. "When he catches the ball at the foul line he is very versatile, he is a good shooter and can shoot that shot and he is an exceptional passer for a big man and he really makes our offense go with his assists. His rebounding has really come on recently."
Coach Kenney added, "Steve is a very, very firey competitor and he plays very hard on the court. Steve Johnson has been a very important part of the early success we've had so far. I just see him to get better and better during his career."
Majoring in accounting at PSU, Johnson hopes to go into business with his dad (R.H. Johnson) adding an academic prospective to Tidewater-Plymouth Construction of Wilmington. But for now, Johnson is pleased on how his game has come along.
"I really feel good about my game and my confidence is rising each game," Johnson said. "My performance is
