organization.

Approximately three months ago a constitutional committee was formed to write a proposed constitution for the concept. That has been completed and an organizational committee has been elected to hold meetings in each precinct to obtain grassroots review and input into the final development of the constitution. Although the concept promotes nonpartisanship, the committee will be sharing the constitution beginning with Commissioner District # III and will rotate with commissioner districts until the pro is completed.

Indian Solidarity is an organization being proposed to create a constitutional framework through which Indians can institutionalize decision making. Recent events have pointed to the dire need for such an

All Indian persons 18 years or older or persons married to an Indian who is 18 years old or older are encouraged to attend these most important meetings.
