

PEMBROKE STATE UNIVERSITY

By
GENE WARREN
Director of
Public Information

Pembroke State University has "spurred" over its Robeson County United Way goal as exemplified by this art work by Dr. Stan Jenkins of the PSU Art Department. Standing by the sign is Monnie Sanderson, coordinator of the PSU United Way campaign. PSU has raised \$2,935.

**PSU AGAIN SURPASSES ITS GOAL
IN GIVING TO UNITED WAY**

For the fourth straight year Pembroke State University has surpassed its goal of giving to Robeson County United Way.

PSU has donated \$2,935 in its campaign which ended in November. Its goal was \$2,800.

Coordinator of PSU's effort was again Monnie Sanderson, secretary in the PSU Office of Public Information. Because of her leadership, PSU has received past plaques from Robeson County United Way for "Outstanding Achievement" and being a "Pacesetter."

PSU's giving has increased each year, being \$1,705 in '86, \$2,000 in '88, \$2,765 in '89, and \$2,935 this year.

To dramatize its effort, PSU has erected a United Way thermometer in the quadrangle of its campus so all could see the progress. When PSU went over the top in its giving, an over-the-top "spurt" was painted on the thermometer.

Mrs. Sanderson was very pleased over this latest effort. "Because of the tight budget times, I didn't know if we would reach our goal, and I'm delighted that we surpassed it anyway," she said.
