A SCENTED CHRISTMAS

By Dawn Cusick

Years ago, people expressed the mood of
Christmas by going to the woods and
bringing into home and hearth the distinc-
tive scents of evergreen, winter flowers,
and special herbs and spices grown and
saved for the occasion. Today you can
recapture that nostalgic spirit, and share it
throughout the season, with this treasury
of over 100 festive projects. Take your pick
from dozens of scented garlands, tree orna-
ments, swags, table centerpieces, mantel-
pieces, ornaments, topiaries, and wreaths,
as well as more personal gift items such as
potpourris, pomanders and sachets. The
step-by-step instructions, beautifully il-
lustrated with full-color photographs and
closeup drawings, show you how to fea-
ture a variety of fragrant plants and other
scents in your holiday decor. (There's even
a section of recipes for the most irresistible
Christmas treats.) This holiday
season, make sure that the moment a person
enters your home, the scent of
Christmas will make the first and most
lasting impression. 112 pages, (all in
color), 7 x 10.
