

**Happy birthday to
the Carolina Indian Voice**

Thank you for giving me an audience so I can express myself. It ain't no good to have something to say, if there's nobody to listen. I'm much obliged to you, Miss Connee, for hanging in there with our Indian paper.

You know how it is, Miss Connee, most people don't 'preciate you until after your dead. You know how people are. When you die they'll run over there to Juddie's and say "Don't she look natural." Now, that is about the dumbest thing I ever heard. Nobody don't look natural after the breath's done left. But you and me both know that the only thing you can do with some of our people is just love them and help keep them informed so they can make good decisions. That is your job there at the Indian paper and you do a good job of it.

But Ol'Wiz wants to thank you while you are still with us.
