CARMEL, IN. - There is now available a new medicated cream discovery that not only relieves Arthritis pain, but also soothes and conditions the skin. The company that discovered the cream, Continental Quest Corporation, has named the product, "PAINBUST-R II." BUSINESS ADVISOR

Where Is Your Passion?

By Marie Valenta

(NU) - Are you passionate about your life and your business? If not, why not? What is worthy of your commitment? What are you passionate about? What would be an ideal career or business opportunity? To find out:

1. List ten things you are good at, i.e., initiating projects, teaching.
2. List ten things you love to do, i.e., taking tropical vacations.
3. In some creative way, combine both lists to create a new career, i.e., teaching in a tropical environment.

Years ago, when I did this exercise, I thought an ideal career would be teaching in a tropical environment. I have learned that it is better to focus on the end result, rather than the process. There are many ways to get any end result. I cut out pictures of Hawaii and put in my photo as if I were working in Hawaii. My vision did become a reality. I often go to Hawaii to speak at conferences or deliver training/consulting.

You too, can make your dream come true if you follow these steps:

1. Get clear about your vision and goals to review them daily.
2. Be committed.
3. Take consistent action.
4. Celebrate small successes.

Anthony Robbins, author of "Unlimited Power," says, "People aren't lazy, they just have boring goals." Is it time for you to create some exciting goals for yourself and your organization?

To learn a step-by-step press for creating and achieving an inspiring vision for yourself and your business, you can order the book "Power Vision." Send \$29.95 to Marie Valenta, 1200 N. Nash St., Rosslyn, VA 22209, (703) 527-3868.

Marie Valenta is a professional speaker, trainer and consultant.
